What should the new library be named?

Interviews and photos by Kristy Pipher

Willard Laing
EET

“The Student Library,” because the students use it more than anyone else.

Tracy Hernandez
Secondary Education Social Studies

“The Pride of the Lion” or “The Lion’s Pride”.

Hazel Cespedes
Psychology

Whoever has paid the most fines in the library should have the honor of the library being named after themselves.

Brad Grissing
Communications

“The Brad Grissing Library”

Scott Neidigh
Information Systems

“The Dewey Decimal Library”

Michael Herner: A Student Remembered

The tragic death of Michael Herner, first semester PSH student, was hard on the students of Penn State Harrisburg.

For those who are unaware, Michael Herner was killed in a motorcycle accident on Oct. 1. He lost control of his cycle around 5:30 p.m. and hit a guard rail. Herner was pronounced dead at the scene. Funeral services were held on Oct. 6.

Herner will continue to be a permanent presence at PSH through a memorial in his honor. In an interview with SGA President Roderick Lee, who majors in Marketing and Information Systems, he discussed the type of memorial and the availability of funds for Herner’s memorial.

The Michael Herner memorial will consist of a tree funded by Penn State Professional Engineers and Contractors (PSPEC) and an engraved stone. The type of tree to be planted in

Herner’s memory has not been determined.

The decision will be based on a number of factors. One factor is the overall landscaping plan of the campus. Another factor is the weather. Trees need appropriate weather conditions to root successfully. Therefore, the date for the memorial service will be determined by the optimum planting season.

A fundraiser will raise money to purchase the dedication plaque and stone. “I would like to see all students get involved with the memorial,” Lee said. A fundraiser will allow contributions by the whole student body.

Volunteers will be in the lobby from Monday, Nov. 15 through Thursday, Nov. 18 collecting donations for the memorial.

Volunteers are needed to help with the collections. If you are interested, stop by the SGA office and see Roderick Lee.
