Jonathan Myers
 Math Education (Secondary)

To have a sixth sense (it would be awesome to have supernatural powers to move things with my mind, etc. To be able to make other people's dreams come true.

Amanda Wright
 Math Science

I would like to be able to help so many people, so I would wish for wealth and an influential position.

1. sex all day
2. infinite wishes

Zoua Vang
 Electrical Engineering

My first wish is for world peace because war should just be stopped! My second wish is for money because in this world money is everything.

Emily Murphy
 American Studies

First wish: To get all my debts paid off so that I could finish school and start a career debt-free. Second wish: I want to travel around the world in style.
