PMI offers networking, leadership and resume-building opportunity

The Keystone Chapter of the Project Management Institute (PMI) is proud to announce that the new host location for PMI organizational activities will be at the Penn State Middletown campus. Meetings and presentations held on-campus are free of charge to the campus community.

The Project Management Institute is the world's leading non-profit organization dedicated to building professional project management. PMI has over 84,000 members worldwide in a variety of industries including Engineering, Information Technology, Financial Services, Healthcare, Aerospace, Pharmaceuticals and Telecommunications. The Penn State Middletown chapter has over 290 members and is growing rapidly.

In addition to providing a networking environment, PMI offers many benefits to the campus community. These include leadership and resume-building opportunities. PMI also provides professional development and assists members in achieving PMI professional designations. For working professionals the "Certified Professional" (CPM), for current students the "Certified Student" (CST) and for students the "Certified Associate in Project Management" (CAPM). These are valuable designations that will help your resume stand out from the crowd and advance your career.

The Keystone Chapter has meetings, networking and presentations, on the 2nd Wednesday evening of each month in the Capital Union Building, starting in February 2002. Refreshments are provided. If you would like more information about PMI, please visit our Web site at <http://www.pmi.org/chapters/keystone/>

The PMI Keystone Chapter would like to assist interested students in forming a student chapter. If you would like to get in on the ground floor of starting a new student organization on your campus, please contact Ellen Frey at ekf112@psu.edu. Ellen is a part-time student at Penn State, and feels this is a great opportunity to develop and demonstrate your leadership skills, while establishing valuable networking contacts.

Tarnhelm submissions sought

Once again, it is time to dust off your creativity and SUBMIT! Tarnhelm, the literary magazine of Penn State Capitol Campus, is actively soliciting submissions for its next edition. It's time to dust off that hidden creative genius and share the amazing talents that nobody sees. Short stories, poetry, photographs and other artwork are all appropriate for submission.

Further information about the submission process is available in the Humanities office, Olmsted W356.

The deadline for submissions is February 25, 2002. The judging will be done by faculty and staff members. Share that brilliance!
