

The new food court. The pizza oven is in the back corner to the left by the windows. There is some unique lighting (like the lights in this picture) throughout the whole square. (Photo by Pete Strella)

Greg Schiavoni shows students the ports in the table of the new student conference room. This room will serve mainly as a meeting area for student clubs and organizations. (Photo by Stacy De Angelo)

**What's new after construction**

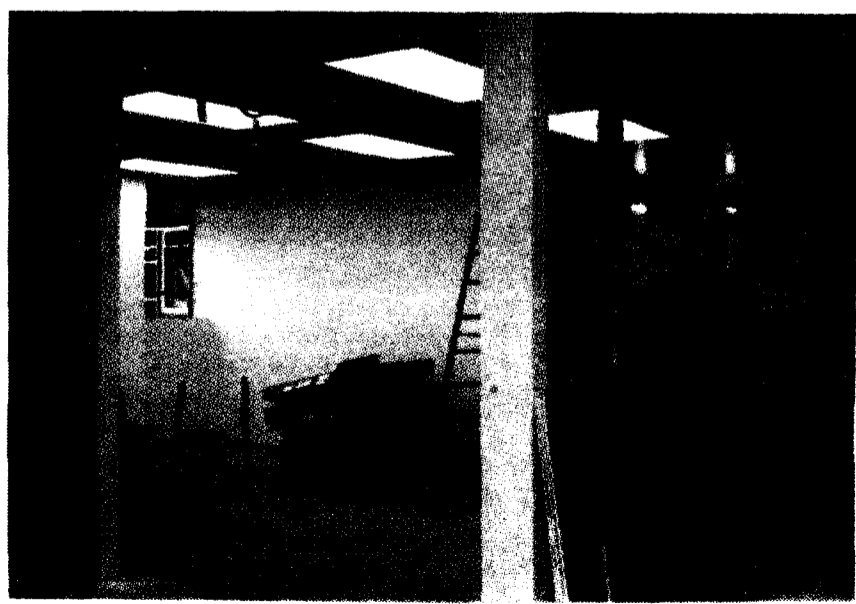

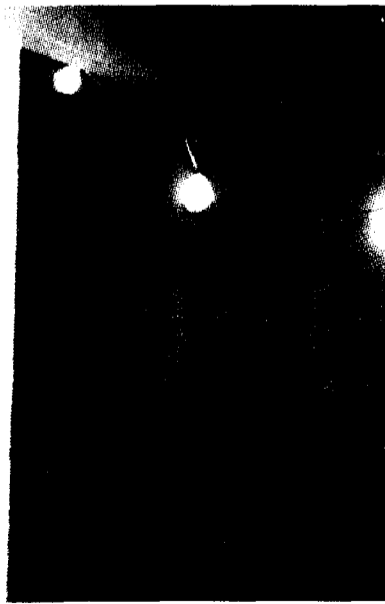

- food court with pizza oven
- 20 x 25 foot stage
- 3 big screen plasma
- student conference room
- offices for SCB and Capital Times
- food services
- comfortable seating
- coffee bar
- new darkroom for photography club
- office for housing & food services
- office for student activities

Pete Strella enjoys the comfort of the new chairs that will be used in the office. (Photo by Stacy De Angelo)
