# SGA Report

by RACHEL SHEPHERD  
ASSISTANT EDITOR

Penn State Harrisburg's SGA is proof that a little snow will not keep them from doing business. Despite the poor weather conditions, the January 27 meeting had nine members in attendance-just enough to make a quorum.

At the meeting, Vice President Anthony Strayer announced this semester's first Organizational Advisory Board meetings will be held Tuesday February 3 at 9 p.m. and Wednesday February 4 at 8 a.m. SGA approved funds for food at both of the meetings. The OAB is an inter-club meeting for all the clubs on campus to discuss the activities they are doing. There were several meetings last semester, all of which had moderate success.

Advisor Janet Widoff announced that \$15,000 is available for the SAF/FAA accounts.

SGA voted to approve the allotment of this money into the student activities account with a minimum \$15,000 cap. This money will be allocated to the clubs, for use during the spring semester, based on their budget requests, which were to be submitted to the SGA this week.

"This money will be available to any organization," Widoff said.

Currently, SAF has enough money to meet the proposal requests that were submitted. At the next SGA meeting, February 3, Cutchall will discuss the SAF in greater detail.

**"SGA voted to approve the allotment of this money into the student activities account with a minimum \$15,000 cap. This money will be allocated to the clubs, for use during the spring semester, based on their budget requests, which were to be submitted to the SGA this week."**

Widoff asked the SGA for feedback on what to do with the television in the student lounge, which now houses the new microwave. The television is in need of costly repairs, which amount to \$300 to \$350 dollars. Should the television be fixed and given a hanging apparatus or should the SGA invest in a new one?

However, Widoff was unsure, if once fixed, the television would be used by the students. Senator Ted Miller questioned fixing the television when the students may not even use it. Senator Mike Green agreed and suggested disposing the old television and tabling the discussion of a new television until next semester. SGA decided to sell the old television for a reasonable price and discuss the possibility of buying a new one next semester.

SGA is still preparing fundraisers for THON. A T-shirt and ribbon sale will take place next week with Faulkner Honda donating food for the sale.

SGA meeting will be held on Tuesday, February 3 at 9 p.m. in room 5-314. Students are encouraged to attend.

## Who Says You Can't Have It All?
