Middletown, Pa.

I spy ...

1. Identify at least five things that were moved between the first two photos.
2. Find the squirrel in the tree.

How to submit answers

Please e-mail descriptions to captimes@psu.edu. Prizes are available to the first five students with correct responses.

Capital Times staff and friends of staff who are in the office as much as we are are not eligible to win prizes. Contest ends at the end of the fall semester.
