its fruits, in advance of a natural maturity. Left TWENTY-FIRST ANNUAL REPORT OF OF THE THIRD PRESBYTERIAN the 'vital spark' by which its continued existence CHURCH, PHILADELPHIA. The Bible Society is the only Society, posse ing a distinct organization, which has lived inside of "Old Pine Street Church" Sabbath-school to see the age of manhood-twenty-one years! The period attained, shall not, however, be embraced for the purpose of turning back to the commencement and retracing the path and progress of the Society, through each successive year, till the entire past be brought within few of the present. Interesting as they might be found, we shall not encumber the present report with the statistics of the past twenty years. The secretary, whose duty requires of him the making and reading of the annual reports, has endeavored to submit the doings of the Society each year, embodied in language so varied, that one report might not be mistaken for another. There struction. What is there in the earth beneath, is one subject, however, over which he has never or in the heavens above, to reveal to fallen and been able to exercise any control. It makes its appearance in each report, and stands distinguished a prey to disease, and as he lies on his death-bed in bold figures to impart true and definite value, so as to redeem the Secretary's labored productions from their sterility. It is a faithful document, never detracting from, or exaggerating merit-THE TREASURER'S ACCOUNT. We give it, once more, a true and cordial welcome:

has been maintained." Its dissolution years ago, might have allowed others to take its place, and one after another might have rapidly flourished and decayed. Novelty and change, assuming the sway, would have taught useful lessons on the mutability of Sabbath-school enterprises, at the same time that they accomplished good and wise purposes. The Bible Society, fixing its foothold. in the school for a term of twenty-one years, must now dispense with the charms of novelty and ve ried movement, and rest contented while it performs its mission, that it has taught all around it a lesson on the importance of being "steadfast and immovable." After all, what better cause need command the services of a Sabbath-school than the Bible? Its truths must lie at the foundation

of all that is really valuable in Sabbath-school insinful man a knowledge of his Creator? Can man. in weakness, compared to which the new-born is as Samson, teach to his fellow-man the doctrine of immortality? No,-No. Expange from human lore all knowledge fairly traceable to a Divine tality. been brought to the foot of the Cross, and oborigin, or to the sacred writings, and you leave him and his race in darkness, exceeding that which hangs over Ethiopia. The Bible is man's true source of light and knowledge, which warns him of hell, and points him to heaven; and who will deny the obligation which rests on all who have been blessed by the possession of the Bible-to

take the Bible and give it to those who possess it not?

Religious Intelligence.

Rev. E. E. Adams, of this city, has received a call to the Fifth Presbyterian Church, of Cincinnati, Old School. We understand that he will not accept as he is engaged in a very important enterprise, in forming a new church in this city, on Broad Streef, which promises to become an influential church in a profession of Christ, not one is known to have turned back to the paths of sin.
