BROAD ST, 1st above Vine, Wost side Philadelphia. feb6 6m GENTLENEN:--We have recovered the Herring's Patent Champion Safe, of your make which we bought from you nearly five years ago, from the ruins of our building, No. 716 Chestnut street, which was entirely astroyed by fire on the morning of the 17th inst. So rapid was the progress of the flames, before we could reach the store, the whole interior was one mass of fire. The Safe being in the back part of the store, and surrounded by the most combustible materials, was exposed to great heat. If fell with the walls of that part of the building into the cellar, and remained im-bedded in the ruins for more than thirty hours. The Safe was one nd this morning in the presence of P all the principal cities of Great Britain, in heavy expenditures. He soon resigned "I said I would n't tell if you killed me,' The following noble poem of Thomas Buchanan Read, which stirs the heart like the blast of a trum-pet, and which is equal in effect to Tennyson's "Charge of Balaklava," has recently been twice recited in Pittsburg, by Mr. Murdoch, and more lately by the author himself. By permission of Mr. Read, we, for the first time, publish it in print. It was written for the Americans of Rome, and was first read to them in the ruins of Titus's Baths, as France, Prussia, Germany, and, recrossing his commission, and devoted himself exclu-HUNTER, sobbed the frightened girl.
