Religious Intelligence.

President of Jefferson College.—We learn that Rev. D. H. Riddle, D. D., has been unanimously elected to the Presidency of Jefferson College, Pennsylvania, made vacant by the recent resignation of Dr. Alden.

Father Chiquinay Again.—At the late meeting of the Presbytery of Chicago, the Rev. Alexander F. Kemp, from the Canadian Presbyterian Church, was present as a corresponding member, and laid a memorial upon the table, in reference to the Rev. C. Chiquinay, desiring that something be done, either to relieve and restore his standing in this Presbytery, or, if he still desired it, enable them to receive him and his people under their care.

Ministers in the South.—We learn from the South, that the Rev. Dr. Palmer is now residing in Columbia, South Carolina, where he is engaged temporarily in filling the Professorship in the Theological Seminary, made vacant by the death of the Rev. Dr. Thornwell.

Gen. McClellan's removal from the chief command of the army of the Potomac, has excited but little excitement, except with journals who seize every occasion to embarrass the administration.

Congregationalism in California.—At a recent meeting of the General Association of California, it was stated that there had been an increase during the year of 334 per cent. in the number of churches; and that the membership had grown from 730 to 873.

Among the important subjects that came before the body for debate, was the want of the heathen in California. No other State in the Union is less enlightened in this respect.

Besides the various parts of the State are engaged with perhaps the lowest class of American slaves, upon whom the whites, aided by the largesse of the State and the General Government, have made frequent "raids" (they might as well be "wars" with rabbits), while the churches have done absolutely nothing for their salvation.

Andover Theological Seminary.—It is understood that the Trustees of this institution have made temporary provision in the department of Ecumenical History, by securing, for a portion of the present year, the services of Rev. Dr. Schaff, Professor in the Theological Seminary at Mercersburg, Penna.

The Soldier True to His Principles.—We are happy to know that the Methodist Episcopal Church, the most numerous in the country, will be found on examination to take her part of the sacrifices for the war.

The National Loan.—The subscriptions to the 5-20 loan continue to increase with remarkable rapidity. It is now the only loan on the market that can be obtained at par.

The First Resignation in consequence of the Emancipation Proclamation has taken place. On account of the publication of this document, Lieutenant Johnson of the 17th Kentucky tendered his resignation to Major-General McCook, when General McCook ordered him arrested and sent to the military prison in "Irons."

Playing Cards Exchanged for Books.—The Young Men's Christian Association of Chicago, has been doing a good work in distributing religious books and tracts among the soldiers of Camp Douglas.

Christian ladies who visited the camps to distribute papers and books, generally succeeded, when they found a group of men playing cards, in effecting an exchange of religious books for cards.

members of the Association have followed the same plan when visiting and holding meetings, with such large success, that at the last Monthly Sociable a half bushel basket of playing-cards, which looked as though they had been thoroughly used, were exhibited as trophies. The supply of books which were to be exchanged for cards having been exhausted, a pack of these cards, accompanied by their history, was sent to New-York, another to Boston, and another to Philadelphia.

Domestic News.

The Freeing of the slaves in the District of Columbia, has made little or no change in their former condition.

Negro Soldiers.—The first serious experiment with negro soldiers has been made lately in Missouri. An account of a fight between a portion of Lane's colored brigade, of Kansas, and a much superior force of rebel guerrillas, at the head of the Osage river, appears in the papers of Nov. 12th.

The report of the action says that the negroes fought very well, losing eight killed and a larger number wounded, while the loss inflicted on the rebels was much heavier.

Gen. McClellan's removal from the chief command of the army of the Potomac, has excited but little excitement, except with journals who seize every occasion to embarrass the administration.

7th, reaching Pittsburg on Saturday, from which place they were conveyed, without change of cars, to Indianapolis, via the Pittsburg, Fort Wayne, and Chicago, and the Bellefontaine Railroad lines, and thence to Louisville.

The regiment made a perfect ovation along the whole route. The residents of the country through which they passed turned out in full strength on their approach, and supplied them with every luxury. Their reception at Indianapolis was most enthusiastic.

The Incapables in command of our armies, to whom we owe our heart-breaking delays and shameful disasters, are at last beginning to be worked and sifted out.
