so-called interference with the freedom of speech.

To read some of the tirades against the Government

at some of the meetings now being held, it would

seem that there is not only freedom of speech but

the most unbridled license. We do not know that

the coarse abuse which is heaped upon the Govern-

ment does it any injury, but the charge of suppres-

sing the freedom of speech ought to be omitted in

the accusations against it, when the speakers them-

selves give the most conclusive evidence in their,

own speeches that there is no truth in the charge.
