BROWN'S BRONCHIAL TROCHES
FOR COUGHS AND COLDS.
A neglected Cough, Cold, an Irritated or Sore Throat, if allowed to progress, results in serious Pulmonary Bronchitis, and Asthmatic Diseases, oftentimes incurable. Brown's Bronchial Troches reach directly to the inflamed parts, and give almost immediate relief. For Bronchitis, Asthma, Catarrh, and Consumptive Coughs, the Troches are useful. Public speakers and singers should have the Troches to clear and strengthen the voice. Military officers and soldiers who overtax the voice are exposed to sudden changes, should use them. Obtain the genuine. Brown's Bronchial Troches have proved their efficacy by a test of many years, are highly recommended and prescribed by physicians and surgeons in all the army, and receive testimonials from many eminent men. Sold by Druggists and Dealers in medicines in the United States and most foreign countries at 25 cents per box.

U. S. 5-20'S.
The Secretary of the Treasury
has not yet given notice of any intention to withdraw this popular Loan from Sale at Par, and, until ten days' notice is given, the undersigned, as
"General Subscription Agent,"
will continue to supply the public.
The whole amount of the Loan authorized is Five Hundred Millions of Dollars.
Nearly Four Hundred Millions have been already subscribed and paid into the Treasury,
most within the last seven months. The large demand from abroad, and the rapidly increasing home demand for use as the basis for circulation by National Banking Associations now organizing in all parts of the country, will, in a very short period, absorb the balance. Sales have lately ranged from ten to fifteen millions weekly, frequently exceeding three millions daily, and as it is well-known that the Secretary of the Treasury has ample and unfailing resources in the Duties on Imports and Internal Revenue, and in the issue of the Interest-bearing Treasury Notes, it is almost a certainty that he will not find it necessary, for a long time to come, to seek a market for any other long or permanent loans, the Interest and Principal of which are
Payable in Gold.
Prudence and self-interest must force the minds of those contemplating the formation of National Banking Associations, as well as the minds of all who have idle money on their hands, to the prompt conclusion that they should lose no time in subscribing to this most popular Loan. It will soon be beyond their reach, and advance to a handsome premium, as was the result with the "Seven Thirty" Loan, when it was all sold and could no longer be subscribed for at par.
It is a Six per Cent. Loan, the Interest and Principal payable in Coin, thus yielding over Nine per Cent. per annum at the present rate of premium on coin.
The Government requires all duties on imports to be paid in Coin. These duties have, for a long time past, amounted to over a Quarter of a Million of Dollars daily, a sum nearly three times greater than that required in the payment of the interest on all the 5-20's and other permanent loans. So it is hoped that the Surplus Coin in the Treasury, at no distant day, will enable the United States to resume specie payments upon all liabilities.
The Loan is called 5-20 from the fact that, whilst the Bonds may run for 20 years, yet the Government has a right to pay them off in Gold, at par, at any time after 5 years.
The Interest is paid half-yearly, viz: on the first days of November and May.
Subscribers can have Coupon Bonds, which are payable to bearer, and are \$50, \$100, \$500, and \$1000; or Registered Bonds of same denominations; and in addition, \$5,000 and \$10,000. For Banking purposes and for investment of Trust-moneys the Registered Bonds are preferable.
These 5-20's cannot be taxed by States, cities, towns, or counties, and the Government tax on them is only one and a half per cent. on the amount of income, when the income of holder exceeds Six Hundred Dollars per annum. All other investments, such as income from Mortgages, Railroad Stock and Bonds, etc., must pay from three to five per cent. tax on the income.
Banks and Bankers throughout the Country will continue to dispose of the Bonds; and all orders by mail, or otherwise, will be promptly attended to.
The inconvenience of a few days' delay in the delivery of the Bonds is unavoidable, the demand being so great; but as interest commences from the day of subscription, no loss is occasioned, and every effort is being made to diminish the delay.

Though of larger size, the price will be raised, and they are therefore the cheapest religious papers in this city, or in the Presbyterian church.
We shall seek not only enlargement but in every way shall labour to improve the character of the paper.
Particular attention will be paid to the remarkable progress of
PRESBYTERIANISM IN GREAT BRITAIN AND ON THE CONTINENT.
Our Correspondence will be unusually attractive. We have one of the
BEST ARMY CORRESPONDENTS
in the field, whose original and striking letters come fresh from the front every week.
OUR ROCHESTER CORRESPONDENT
is an experienced writer, who acquaints our readers fully with events of interests in that important section of the church and country—Central and Western New York. He is making arrangements still further to increase the value of his weekly letters.

REV. J. J. MARKS, D. D.,

WASHINGTON CORRESPONDENT.
Our excellent contributor, known as "M. E. M." Mrs. COLONEL SANGSTER, will furnish articles of a miscellaneous character, and will also wield her pen in the
JUVENILE DEPARTMENT,
a sphere in which she has won decided success as the author of a number of volumes for the young, issued by one of the largest of our religious publication societies.

Though of larger size, the price will be raised, and they are therefore the cheapest religious papers in this city, or in the Presbyterian church.
We shall seek not only enlargement but in every way shall labour to improve the character of the paper.
Particular attention will be paid to the remarkable progress of
PRESBYTERIANISM IN GREAT BRITAIN AND ON THE CONTINENT.
Our Correspondence will be unusually attractive. We have one of the
BEST ARMY CORRESPONDENTS
in the field, whose original and striking letters come fresh from the front every week.
OUR ROCHESTER CORRESPONDENT

OUR LONDON CORRESPONDENT

REV. J. J. MARKS, D. D.,
author of the remarkable and popular volume "The Peninsula Campaign," in which he has proved himself an independent thinker, a fearless, patriotic, and devoted man, and able writer, is our regular
WASHINGTON CORRESPONDENT.
Our excellent contributor, known as "M. E. M." Mrs. COLONEL SANGSTER, will furnish articles of a miscellaneous character, and will also wield her pen in the
JUVENILE DEPARTMENT,
a sphere in which she has won decided success as the author of a number of volumes for the young, issued by one of the largest of our religious publication societies.
