#### THE CERISTIAN COMMISSION AT WHITE HOUSE.

During the battles of the last week many thousands of wounded, including a large number of those of the enemy. were at White House. They were prought there, a distance of twenty niles, in wagons and ambulances. They were met on their arrival with food and refreshing drink, by the delegates and agents of the Commission, who afterwards rendered invaluable assistance in having them moved to hospital tents.

More than one hundred delegates have been sent to this one point. Stores are being sent constantly forward, by way of Fortress Monroe and kimore, as also direct from Washington. The Commission has employed for this purpose a steam tug, a schooner, and a barge. It has also sent forward to the front four additional teams (three fourhorse-teams and one ambulance) from the White House, to be constantly employed in the transportation of stores and the carrying of the wounded.

In view of these facts, which are but a statement of part of the operations of the Commission at this time, we hope that it will be enabled not only to prosecute successfully the work it has already undertaken, but that it may greatly enlarge it. Too much cannot be done, as long as the work performed is so disproportionate to the wonderful field to be cultivated. While we welcome, and bid God speed to every other enterprise which sooks to advance the welfare of our armies, it is pre-eminently the duty of Christians to see that this institution does not suffer for the means to dispense its blossings. It seeks to fulfil the law of love upon the only principle which gives that law its force and obligation, viz: the glory of God. The erowning feature of the history of the terrible civil contest in which we are engaged is, that there is an institution which is Christian, but, not sectarian, charitable but not alms-giving, missionary, but not proslytizing, and patriotic, but not partisan. G. S. C.

AP Perry Davis' VEGETABLE PAIN KILLER! THE UNIVERSAL REMEDY

FOR INTERNAL AND EXTERNAL COMPLAINTS At this period there are but few of the human race unacquainted with the merits of the Pain Killer; but while some extol it as a liniment, they know but little of its power in easing pain when taken internally, while others use it internally with great success but are equally ignorant of its healing virtues when applied externally. We therefore wish to say to all that it is equally successful whether used internally or externally, and it stands alone, unrivalled by all the great catalogue of Family Medicines, and its sale is universa and immense. The demand for it from India and other foreign countries is equal to the demand at home, and it has become known in those far off places by its merits-the proprietors have never advertised it or been at any expense in its introduction into foreign

Baptist Church:

Da. Jackson—Dear Sir: I have been frequently requested to connect my name with commendations of different kinds of medicines, but regardieg the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my own family, of the use of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that, for general debitity of the system, and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above causes. Yours, very respectfully,

J. H. KENNARD, Eighth et., below Coutes, Phila.

From Rev. Warren Randolph, Pastor of Baptist Church, Germantown:

Dr. C. M. Jackson—Dear Sir: Personal experience enables me to say that I regard the German Bitters prepared by you as a most excellent medicine. In cases of severe cold and general debility I have bee greatly benefitted by the use of the Bitters, and doubnot they will produce similar effects on others. Yours truly,

W. RANDOLPH.

Phitadelphia, April 20, 1859.

Da. Jackson—Dear Sir: Having used your German
Bitters in my family frequently, I am prepared to say
that it has been of great service. I believe that in most
cases of general debility of the system it is the safest
and most valuable remedy of which I have any knowledge. Tours respectfully.

726 North Nineteenth street.

From the Rev. Thomas Winter, Pastor of Roxboroug From the Rev. Thomas Winter, Pastor of Roxborough Baptist Church:

Dr. Jackson—Dear Sir: I feel it due to your excellent preparation—Hobiland's German Bitters—to add my testimony to the deserved reputation it has obtained. I have for years, at times, been troubled with great disorder in my head and nervous system. I was advised by a friend to try a bottle of your German Bitters. I did so, and experienced great and unexpected relief. My health has been very materially benefitted. I confidently recommend the article where I meet with cases similar to my own, and have been assured by many of their good effects. Respectfully

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge:
Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects; I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation in the hope that he may thus contribute to the benefit of others.

in the hope that he may thus contribute to the benem of others.

I do this more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend, Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

Philada., June 23, 1861.

PARTICULAR NOTICE. PARTICULAR NOTICE.

There are many preparations sold under the name of Bilters, put up in quart bottles, compounded of the cheapest whiskey or common rum, costing from 20 to 40 cents per gallon, the taste disquised by Anise or Corlander Seel.

This class of Bilter is has caused and will continue to causas long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually under the influence of alcoholic stimulants of the worst kind, the desire for liquor is created and kept up, and the result is all the horrors attendant upon a drunkard's life and death. For a Liquor Bitters, we publish the following receipt. Get ONE BOTTLE HOOGELAND'S GERMAN BITTERS and mic with THREE QUARTS OF GOOD BRANDY OW HISKEY, and the vesult will be a preparation that will FAR EXCEL in medicinal vi tues and true excellence any of the numerous liquor bitters in the market, and will COST MUCH LESS You will have all the virtues of HOOF-LAND'S BITTF RS in connection will cost you.

Attention, Soldiers! and the Friends of Soldiers We call the attention of all having relations or friends in the army to the fact that "HOOFLAND'S GERMAN BITTERS" will cure nine-tenths of the diseases tuduced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. Diseases resulting from disorders of the digestive organs are speedily removed. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise will be lost.
