ADVANCE IN PRICES.

Below is the announcement of an advance of prices of 50 cents or from 20 to 25 per cent on the present subscription price of our paper. We are compelled to say frankly to our subscribers that this advance is too small at present prices of material and labor. We must either add another fifty cents or reduce the size of the paper. Which shall we do?]

Our readers will not be surprised to learn that we are compelled to follow the universal upward movement of prices and to ask an advance upon our present terms. We cannot tell them how often, since the opening of the year, we have been compelled to submit to this process ourselves, in every department of our work. We must now ask our subscribers to aid in bearing these accumulated burdens. We shall add but a small percentage to our former charges, believing that the increase of circulation will be sufficient, with this charge, to meet the additional expense to which we are subject. We therefore call their attention to the following announcement:

INCREASE OF PRICE,

From and after September First: To Mail Subscribers per annum - - \$3 00 If paid within three months - - - 2 50 To City Subscribers per annum - -If paid within three months - - Clubs of ten or more by mail to one address, always strictly in advance

and in one remittance, each - - -By carrier, each - - - Ministers and ministers's widows, supplied at club rates. Home Missionaries if paid within 3

The same liberal premiums for new subscribers will be given as heretofore-50 cts., for a single subscriber and \$1 00 each for three or more. (See advertisement for the ment of the death of Rev. Henry H.

Subscribers, new or old, whose year begins before the First of September, are not subject to this charge until the commencement of their new year.

NEW AND DESIRABLE PREMIUMS.

We are able to announce some valuable additions to our list of premiums which at the present season of high prices we are sure will be appreciated by our friends, and especially by our ministerial brethren, whose inadequate salaries forbid any large appropriations for books.

DR. SHEDD ON CHRISTIAN DOCTRINE.

For four new subscribers and the pay, \$10. in advance, we will send, post paid, the new and valuable work of Dr. Shedd, of Union Theological Seminary, New York, on the History of Christian Doctrine, in 2 vols. 8vo., price \$6. This great work is now in the third edition, and would prove a most welcome addition to a minister's library.

CONYBEARS AND HOWSON'S PAUL.

For five new subscribers and \$12,50. in advance we will send, post paid, a copy of this standard popular work, indispensable to every student of the life and epistles of the great apostle.

JOHN HUSS AND HIS TIMES.

We are still sending this great work, written in the fresh graphic style of Mr. Gillett in response to orders from those procuring new subscribers, and have more copies to be disposed of in the same way. Sent for four subscribers, and the pay, \$10, in advance.

NEW TRACTS ON THE USE OF TOBAC-CO, AND INTEMPERANCE.

We have received a package of tracts from the author, Rev. George Trask, Fitchburg, Mass. Among them are "Popular Poisons;" "A Word to Wives Mothers and Sisters on the Evils of Tobacco;" "Boys Cured of the Tobacco Mania;" "The Drunkard's Home;" "Tracts for our Army and Navy," &c.

Like all of Mr. Trask's attacks on rum and tobacco, they are pungent and direct. He reminds us of a good man who said "it was a luxury to sit up nights and hate slavery." Mr. T. cordially, thoroughly hates the use of tobacco and alcohol-habits always having a strong affinity for each other. No one ever thinks of a bar-room without the blended odors of strong drink and tobacco. He urges that the two are among the most deadly foes to health, clear thought, and sound morals, either in or out of the army. The writer sends to any address the full value of money received, in packages of these tracts. The friends of humanity and of the army will not forget this worthy object.

ACADEMICAL HONORS.

Centre College, (Danville, Ky.) has conferred the degree of Doctor of Divinity on Rev. L. M. Glover, Pastor of the First Presbyterian church of Jacksonville, Ill. Trinity College. (Hartford, Conn.) has conferred the same degree upon Rev. Robert B. Fairbairn, of Avondale, N. Y., Rev. D. H. Short, and Rev. Samuel M. Emery. We have been told that this College, which is under the control of the Protestant Episcopal church, contemplates the new feature of conferring this degree, like the others. after a definite probation, and the appointment of special trials. At the Williams College commencement, the honors distributed were as follows:

A. M.—Rev John Rendall, Madura; Joseph G Scott, Westfield; Henry M. for thirty years. Chapin Springfield. D. D.-Rev. The-

THE PENNSYLVANIA LEGISLATURE.

Our readers in this state are, we suppose, anxiously awaiting the prompt action for which our state legislature was summoned in special session. It was certainly to be expected that its attention would be given first and inconstantly to some reliable system of man & Annie, 50c, A friend, 1—228.60, per W. state defense. So far, it has been disappointing and painful to witness the usual strife for measures of mere local and selfish interest under the drive of and selfish interest, under the drive of the unscrupulous "ring" which has so long been the bane of our public legislation. At this hour the state asks of its legislators only the one thing which three years ago might have saved our southern border from fire and pillage, and the proud name of Pennsylvania from dishonor—the thing which may yet secure us from another of that series of invasions which are bringing upon us the jeers of all rebeldom. Do, Honorable gentlemen, give one short session to the necessities of the state.

THE AMERICAN S. S. UNION.

Upon comparing of the reports of the M ssionaries for the month of June, with the see of the same month last year, repo ting 131 new schools—we find June 64 returns 242 schools organized (an increase of 111) into which were gathered 9560 children taught by 1783 teachersshowing most conclusively that the work is going steadily forward, for which the christian people of our land should thank God and take courage, giving to His name all the praise for the great success which crowns the labors of the mission—

I ring the month were \$5646.82. The S. S. Missionary finds many a cheering incident in the course of his labors to en-

courage him in his work. A school was organized on one of the prairies of the west where there had never been a S. S., before, and was furnished with a library donated by an Eastern School. "Some months after." writes the Missionary, "I was passing through the neighborhood I called at a farm house to inquire after the school, I found an old woman at home with some very small children, 'Have you a S. S. about here?' I enquired, 'Oh ves. and a right good thing it is too,' said she, 'I have a heap of grand-children and they all go every Sunday and it keeps them from other rudeness, and I tell you stranger,' she continued with emphasis and looking me earnestly in the face, 'they learn a heap of things there that they never would have thought of and lection at Martinsburg.' U. S. 7-30 Loan.

The Secretory of the Treasury gives notice that subscriptions will be received for Coupon Treasury Notes, payable three years from Aug. 15th, 1864, with semi-annual interest at the rate of seven and three-tenths per cent. per annum,-principal and interest both to be paid

These notes will be convertible at the option of the holder at maturity, into six percent, gold-bearing bonds, payable not less than five nor more than twenty years from their date, as the Government may elect. They will be issued in denominations of \$50, \$100, \$500, \$1,000 and \$5,000, and all subscriptions must be for fifty dollar or some multiple of fifty dollars, The notes will be transmitted to the owners free of

ransportation charges as soon after the receipt of the original Certificates of Deposit as they can be prepared. As the notes draw interest from August 15, persons making deposits subsequent to that date must pay the interest accrued from date of note to date of deposit. Parties depositing twenty-five thousand dollars and

upwards for these notes at any one time will be allowed commission of one-quarter of one per cent, which will be paid by the Treasury Pepartment upon the receipt of a bill for the amount, certified to by the officer with whom the deposit was made. No deductions for commissions must be made from the deposits.

SPECIAL ADVANTAGES OF THIS LOAN.

IT IS A NATIONAL SAVINGS BANK, offering a higher rate of interest than any other, and the best security. Any savings bank which pays its depositors in U. S. Notes, considers that it is paying in the best circulating medium of the country, and it cannot pay in anything better, for its own assets are either in government securities or notes or bonds payable in government paper.

It is equally convenient as a temporary or permanent investment. The notes can always be sold for within a raction of their face and accumulated interest, and are the best security with banks as collaterals for dis-

Convertible into a Six per cent. 5-20 Gold Rond. In addition to the very liberal interest on the notes for three years, this privilege of conversion is now worth about three per cent. per annum, for the current rate for 5-20 Bonds is not less than nine per cent. premium, and before the war the premium on six per cent. U.S. stocks was over twenty per cent. It will be seen that the actual profit on this loan, at the present market rate, is not

less than ten per cent, per annum.

Its Exemption from State or Municipal Taxation. But aside from all the advantages we have enumerated a special Act of Congress exempts all bonds and Treasury notes from local taxation. On the average, this exemption is worth about two per cent, per annum, according to the rate of taxation in various parts of the country. It is believed that no securities offer so great induce nents to lenders as those issued by the government In all other forms of indebtedness, the faith or ability of private parties, or stock companies, or separate communities only, is pledged for payment, while the whole

property of the country is held to secure the discharge

of all the obligations of the United States.

While the government offers the most liberal terms for its loans, it believes that the very strongest appeal will be to the loyalty and patriotism of the people. Duplicate certificates will be issued for all deposits The party depositing must endorse upon the original pertificate the denomination of notes required, and whether they are to be issued in blank or payable to order. When so endorsed, it must be left with the officer receiving the deposit, to be forwarded to the Freasury Department.

Subscriptions will be received by the Treasurer of the United States, at Washington, the several Assistant Treasurers and designated Depositaries, and by the

Second National Bank of Philadelphia, Pa. Third National Bank of Philadelphia, Pa. Fourth National Bank of Philadelphia, Pa. And by all National Banks which are depositaries ublic money, and

ALL RESPECTABLE BANKS AND BANKERS. hroughout the country will give further information and AFFORD EVERY FACILITY TO SUBSCRIBERS.

MARTYRS OF FRANCE. MARTYRS OF FRANCE; or, The Witness of the Reformed Church of France, from the reign of Francis

to the revocation of the Edict of Nantes. By Rev. JOHN W. MEARS. Price 40 cents

"The author has undertaken to do what he could to keep alive the memory and the spirit of the Christian heroes of the past. For this purpose he has selected one of the noblest periods of the church's history, and with a graphic pen has furnished us with a work of singular interest: We heartily commend it to all, and especially-to the young, as showing us how martyrs lived and died, and what our calm and peaceful religious times and privileges are worth." "Christian Instructor." "This little book belongs to that class which, for the sake of our youth and the supply of the right sort of books for Sunday schools, we desire to see greatly multiplied. Many thrilling scenes, including the "Massacre of St. Bartholomew," instances of patient endurance, even to martyrdom, and stories of want and exile welcomed for the love of Christ, lend a more than fictitious charm to these pages. As Presbyterians, we feel a special interest in the lives and characters of these Huguenois who illustrated se well our ancestral faith."—Evangelist.

Heroes for the Truth. HEROES FOR THE TRUTH, By the late Rev. W. K. Tweedie. D. D. Price 75 cents.

"It is good to read such a book as this: the lives of brave champions of the truth, valiant and active for God and the right. We need such men now and always, and it is well to have the examples before us constantly, to strengthen and lead the way. The Committee does a god service by sending such books into the world."—New York Observer.

AND SUPERIOR PLATED GOODS MASON & HAMLIN'S

CABINET ORGANS

CAUTION TO PURCHASERS.

The wide demand for our CABINET ORGANS has nduced dealers in some cases to advertise quite different instruments as CABINET ORGANS, and in others to represent to purchasers that harmoniums and other reed organs are the same thing. THIS IS NOT TRUE. The xcellencies of the

CABINET ORGANS

which have given them their high reputation, arise not merely from the superiority of their workmanship, but also, in large measure, from Essential Differences in construction, which being patented by us, cannot be imitated by other makers. From these arise their petter quality and volume of tone, and capacity for expression. Every Cabinet Obgan has upon its name oard in full, the words,

"Mason & Hamlin cabinet organ."

When a dealer represents any other instrument as a Cabinet Organ, it is usually a mere attempt to sell an inferior instrument on which he can make a larger profit.
