Another in Ohio says:—"The Books were taken to the School yesterday. All were highly delighted with them. Your selections were very satisfactory indeed. We could not have done better ourselves. Many thanks for your kindness."

Another in West Virginia says:—"To show how well pleased we are, it was unanimously resolved:—That the thanks of this School be returned to the Rev. S. W. Crittenden for the care exhibited in the selection of our Library, and also to the Presbyterian Publication Committee for their generous donation of books."

An Auburn, New York, Pastor says:—"I thank you for the evident care exercised in filling our order, persuaded as I am, even from the cursory examination I have been able to give the books, that for the same number of volumes it is the best selection we have had for our Sabbath School Library, far better than we could have made for ourselves. Both of our librarians concur in this judgment."

DISCRETIONARY ORDERS may be sent, indicating the amount to be expended, and giving general directions as to the size and kind of books desired, and sending a list of books already in the library that they may not be duplicated.
