Mr. JOHN BUNTO,

OF BALDWIN, CHEMUNG COUNTY, N. Y .- writes: OF BALDWIN, CHEMUNG COUNTY, N. Y.—writes:

"I was urged by a neghbor to get one bottle of the Balsam for my wife, being assured by him that in case it did not produce good effects, he would pay for the bottle himself. On the strength of such practical evidence of its merits, I procured a bottle. My wife at this time was so low with what the Physicians termed SEATED CONSUMPTION as to be unable to raise herself from the bed, coughing constantly and raising more or less blood. I commenced giving the Balsam as directed, and was so much pleased with its operation that I obtained another bottle, and continued giving it. Before this bottle was entirely used, she ceased coughing and was strong enough to sit up. The fifth bottle entirely restored her to Health, doing that which several Physicians had tried to do but had failed." Prepard by SETH W.
