## Aews of the Week.

#### EXECUTIVE.

Proclamation .- The President's amnesty proclamation has had the effect of pardoning every individual resident of Wilmington. N. C., with the exception of Gen. Robert Ransom.-Gen. Grant, Aug. 13, issued Binckley's proclamation of September 3 by printing it, and the Presidential order directing its circulation, on one sheet of paper, with the following business-like endorsement: "The foregoing orders and proclamation of the President of the United States, received through the Department of War, are published for the information of all con-

Treasury.—The cash in the U. S. Treasury on Sept. 13, amounted to \$145,656,000, of which \$99,867,000 was in coin and coin certificates, the balance

being currency.

Military.—The papers relating to the case of General Fitz-John Porter have been placed in Gen-Grant's hands by the President. It is understood that a new court will be ordered in the case.

Pardons.—An additional pardon list is being prepared in the Attorney General's office, at Washington. It will contain about 10,000 names, showing a total of 18,000 pardoned up to the 7th instant. STATES AND TERRITORIES.

Pennsylvania.—Judge Woodward has been nominated for Congress, to fill the unexpired term of Mr. Denison, deceased, by the Democratic Convention of the Twelfth District, (a Democratic District.) New York. Snow has already fallen in West-

Massachusetts.-Boston and Roxbury are to be united under a single municipal government. Boston was the sixth city in the country in point of population. Now it will be next to Brooklyn, and the fourth in rank, with about 270,000 population. The Massachusetts Republican Convention met, Sept. 11. A. H. Bullock was re-nominated for Governor. Among the resolutions adopted was one favoring impeachment of the President.—The corner stone of a new Catholic Cathedral was laid, Sept. 15th, in Boston. Archbishop McCloskey delivered an address. The Cathedral is to cost \$1,500,000. California.—Higby, the Union candidate, is cer-

tainly elected to Congress in the Middle district. He was the most Radical candidate in the field. The was the most readical candidate in the field. The two Democratic Congressmen elected are Mr. Axell, of San Francisco, who favored the war and supported Lincoln and Johnson, and Mr. Johnson, of Sierra, a lawyer of little reputation. The Democrats will have 18 majority on joint ballot in the Legislature.

Texas.—There were thirty-two deaths from yellow fever in Galveston on the 6th inst. The discrete low fever in Galveston on the 9th inst. The disease

is spreading in the interior. Wisconsin.-Of the eight candidates on the Republican State ticket, five were soldiers, General Fairchild, General Allen, Colonel Gill, Colonel Rusk and Lieutenant Craig.—The total valuation of property in the State, as returned, is \$211,270,349 as against \$154,226,620 in 1865.

Minnesota.—The Republican Convention of Minnesota met, Sept. 11th, and nominated W. R. Marshall for Governor.

Nebraska.—By an act of the Legislature, passed June 24, 1867, women of lawful age are allowed to vote at the district school meetings. The first elec-tion under the law will be held in October. The Omaha Republican suspects "the entering wedge is thus driven for universal suffrage in Nebraska."

Arizona is at present garrisoned by 8,000 U. S. troops, yet the Apache Indians make extensive depredations, and the people threaten to exterminate all the savages living in the Territory.

Montana has elected Kavanagh, (Democrat) del-

egate to Congress, by 1500 majority. The Legisla-ture is almost wholly Democratic. No change.

District of Columbia — The annual report of the Smithsonian Institute, for 1806, has just been published. It shows increased prosperity financially and otherwise,
Maryland.—The Border State Republican Con-

vention met at Baltimore, Sept. 13. Resolutions were passed urging Congress to establish universal suffrage throughout the country, and to adopt measures of impeachment at its next session.

Virginia. -The presidents of the Richmond banks chants of that city. Commercial bills, as a rule, are promptly met.—A colony of colored people in Miof the mer chigan are seeking good farms in Virginia.—General Schofield has delayed the issue of his election order in Virginia, in view of the President's recommendation for a simultaneous election in all the Southern States on the first Monday in November .-The negroes voted for the first time in Richmond, September 16th.—General Schofield has ordered that the election for a State Convention take place on October 22d. One hundred and five delegates are

South Carolina.—Gen. Canby has issued an order requiring all ex-rebels who ran away from the Carolinas when the rebellion collapsed, and have since come back, to give their paroles within thirty days, the same as those did who stayed at home. The Boston Advertiser says their is no doubt of the fact that Gen. Canby heartily approves of the acts of his predecessor. He continues in force all of Gen. Sickles! orders, and will pursue the same general line of policy. Prominent Johnson men in that city, who were elated at the removal of Gen. Sick-, are beginning already to query what they have

gained by the change of commanders.

Alabama.—The ensuing cotton crop of Alabama will be satisfactory. It is estimated at from fifty to seventy thousand bales. The ensuing vote in this State will prove to be equally satisfactory, the Radical majority being estimated at 40,000.

Louisiana.—The New Orleans Common Council

has elected for assistant recorders three negroes and one white man. Several other municipal offices have also been filled by colored men.—Sixty-seven deaths from yellow fever were reported in New Orleans Sept. 11.—The sugar crop of Louisiana, according to the estimate of the New Orleans Bee, will be double last year's crop, and will reach eighty thousand hogsheads.—Sixty deaths from yellow fever were reported on Sept. 12th at New Orleans.— Forty deaths were reported on Saturday. There were IO3 deaths from yellow fever on Saturday and

Sunday in New Orleans.

Texas.—The order of Gen. Griffin, removing the Judges of the Supreme Court has been revoked.

Indians.—Gen. Sherman has received information that the hostile Indians will not meet the Commission sioners at Fort Laramie, but send "runners" to listen to the propositions. If satisfied of the good faith of the Commissioners, they will attend a council in November.—170 lodges of the Northern Arapahoe Indians have offered to surrender to the Government in return for its protection, and their request has been acceded to. The Indians continue to depredate on the Salt Lake routes and in New Mex-

City.—The deaths in Philadelphia last week numbered 242, a decrease of 21 compared with the previous week. The deaths in New York were 512, a decrease of 19.

### FOREIGN.

England.—In 1852 the tonnage of vessels entering the various British ports was 7,887,447, and the tonnage of vessels cleared, 8,242,702. This had, in 1866, increased to 15,612,170 tonnage entered, and 15,650,280 tonnage cleared. In 1866 there were 26,240 British sailing vessels registered in that country and 2831 steam vessels, with an aggregate tonnage of 5,779,337.

Spain.—The harvest has been very abundant this year, and the arrival of Spanish wheat at Bordeaux, in France, is noted.

Italy.—The ex-King of Naples, who was attack
Humaita.

ed by the cholera at Albano, was recovering at last

accounts. His wife, the ex-Queen, died.

India.—The public debt of India, which in 1840 amounted to \$172,424,985, had expanded in 1850 to \$269,673,840. The great Indian mutiny had by 1860 swelled it to \$490,537,300. Since that time no very great addition has been made to that debt, and at present it is in round numbers, \$500,000,000. In 1840 the annual interest on the debt was \$7,528,890. and in 1865 it was \$22,441,925. India now has to pay a somewhat higher rate of interest than in 1840, but even now the average rate is less than five per

Mexico.—Matamoras advices of the 4th inst., state that a proclamation has been promulgated ordering an election for deputies to Congress, President, and Judge of the Supreme Court, on the 22d

of September. The district elections were to take place on the 6th, 7th and 8th.

Escobedo reached Monterey with two thousand troops Aug. 28th amid great rejoicings. In his speech he said that the name of "America" would e always dear to him. His reported insult to Americans at Queretaro is denied. He acknow-ledged his indebtedness to the United States for suc-

England.—The preparations for the Abyssinian expedition continue, and it is contemplated to place 10,000 troops, with the necessary animals to move them and their supplies, in the heart of Africa. There are grave fears of the expedition proving a failure, on account of the climate and noxious insects of the region to be traversed.—At the next

session of Parliament the Reformers will demand manhood suffrage and the vote by ballot.

Denmark—The Danish newspapers are discuss-ing the subject of the cession of St. Thomas and other Danish West India Islands to the United States; and they generally advocate the sale, if the United States is willing to buy. The money realized from the bargain, it is suggested, ought to be expended for iron clads, so as to strengthen the Danish navy. The United States might be able to pay for St. Thomas with iron-clads.

Crete.—Over twenty thousand destitute Cretans, mostly women and children have been removed from the Island of Candia and sent to Greece, For their aid the people of Athens, Syria and all the other Grecian cities, have become huge relief committees, and assistance is also sent from England, France and the United States. The removal of these destitute people from the island enables the ablebodied males to fight their Turkish oppressors with renewed vigor: for they know that not only are their families in a place of safety, but the food and other supplies they would have needed are now saved for the necessities of the men in the field

Russia.—Official reports show that 1,120,000 children attend school in Russia—one and a half per cent, of the population,—*Poland*.—The Governors of the Polish provinces of Dublin and Plock have just published an ordinance in which the pre sentation of petitions in any other than the Russian languago is rigorously prohibited, "because Russian is the only official language of the country." As persons who understand this tongue are rare in these provinces, the order in question is equivalent to a suppression of the right of petition.

### BY ATLANTIC CABLE.

September 10.-London.-The commission to which was referred the question between the Engish and American manufacturers as to the comparative merits of the respective safes, has dissolved without making a decision.—St. Petersburg.—The Shah of Persia has accepted an invitation from the Czar to visit Russia.—Berlin.—The second parliament of the Confederation of the North German States met in this city yesterday, and was formally opened by King William who, alluding to the position of the South German States, said their national relations with the rest of Germany had been fixed by treaties of the Zollverein which they had signed; that the financial condition of the Confederation

was excellent; its revenue so far had been quite and cient to meet all the expenditures.

September 11.—London.—The son and heir of the King of Siam is dead.—Paris.—Gen. Garibaldi will depart forthwith for the Roman frontier .- Marseilles. —The cholera is raging fearfully in the Island of Malta.—Vienna.—A large body of school teachers, representing nearly all sections of the Empire, are in session in this city. A resolution in favor of petitioning the authorities for the separation of the public schools from the Church, was passed yesterday with great unanimity.

September 12. - London .- The returns of the Bank of England show that the amount of bullion has increased £300,000 since the last statement, made on Sept. 5th.—Great Britain and France have sent a joint note to Greece, urging the Government of Athens to refrain from hostilities with the Sublime Porte, and maintain strict neutrality on the Cretan

September 13.—Rome—Pope Pius IX. has resolved to call together a General Council of the Roman Catholic Church from all parts of the world. The Holy Father has named a congregation of seven cardinals to whom he has entrusted the duty of organizing the preliminaries of the Council.—Stock-holm.—The U. S. steamship Franklin, Admiral Farragut, accompanied by the Ticonderoga and Canandaigua, forming the European Squadron of the American Navy, arrived here recently, after visiting several ports on the Baltic. A fete was given in the Imperial Palace, by his Majesty the King of Sweden, which was attended by Admiral Farragut and the officers under his command, as well as many Swedish dignitaries.—Copenhagen.—The Franklin the flag-ship of Admiral Farragut, of the American Navy, arrived from Stockholm, and is now riding at anchor in the harbor. The Americans here, as everywhere, are cordially greeted by the people.—Vicnna.—The financial relations between Austria and Hungary have been adjusted to the satisfaction of both countries. of both countries.—Berlin, evening.—The negotiations relative to a postal treaty between the U.S. and Prussia, have been satisfactorily completed. Among the features of the new treaty-are the reduction of the rates of postage fully one-third, when the mails are despetched from the United States to any German port direct, and a reduction of one-half when the mails are carried via Great Britain. September 14.—London.—The first steamer of the

sinian expedition has left India for Abyssinia to explore the coast, take soundings, and find suita-ble places for landing. Ten steamers, chartered by the government, have already sailed for India, where they will be used to transport troops, etc. to Abyssinia.—Vienna.—Count Charles Von Frankenstein, who is at present performing the duties of Austrian Minister at Copenhagen, has been appointed Minister to Washington, vice Count Wydenbruck, relieved.—Florence.—Many arrests of suspected partses have been made by the Papal authorities at Vitter. bo, near the frontier of the Roman territory.- Constantinople.—A firman from the Sublime Porte, granting a general amnesty to the Greek insurgents in Candia has just been promulgated. The Turkish Government has concluded not to send to Candia a mixed commission, consisting of Ottoman and Greek members, to inquire into and report upon the grievances of the Cretans.—Alexandria.—Ismal Pacha, Viceroy of Egypt, has arrived in this city on his return from his visit to Western Europe. He was

received with great rejoicings by his subjects.
September 15.—Florence.—The Italian Government threatens to commence legal proceedings against Garibaldi if he persists in his preparations for a hostile attack on Rome.—Liston.—The mail steamer from Rio Janiero brings intelligence that the allied South American forces have gained some recent advantages over the Paraguayans. The Allies had captured Corumba, and seriously threatened the strongly fortified position of the Paraguayans at

#### THE LAST DAYS

Of ex-President Martin Van Buren were made comfortable by the use of Jonas Whitcomb's Asthma Remedy. Letters in our possession from his physician, and from Mr. Van Buren himself, express much gratification with the results of its

Extracts from the "Life of Washington Irving," by his nephew, Pierre M. Irving, Vol. IV. page 272:
"The doctor prescribed, as an experiment—what had been suggested by Dr. (O. W.) Holmes on his late visit—"Jonas Whitcomb's Remedy for Asthma's a teachoor will in a wingless of material. Asthma,' a teaspoonful in a wineglass of water, to be taken every four hours. A good night was the

In no case of purely Astlimatic character has it failed to give prompt relief, and in many cases a permanent cure has been effected. No danger need e apprehended from its use. An infant may take with perfect safety. (See Circular.)

#### TO OUR CUSTOMERS.

We take pleasure in announcing to Dealers in Fertilizers, and the Agricultural public; that we have, within the past year, increased our facilities for the manufacture of our RAW BONB PHOSPHATE, to an extent unequalled by any other House in the United States or Europe. These facilities not only include the enlargement of our old established works in Philatelephia, known as the DELAWARE RIVER AGRICULTURAL CHEMICAL WORKS, but also the purchase of extensive and well stocked works at Chicago, Ill., with all the necessary machinery, cars, &c., to conduct the business. This establishment alone has produced, annually, over 5000 tons of dried Bones and Meat, and is capable of being largely increased. We lesire, by the closest supervision to conduct these two concerns so that our customers will derive a practical benefit from their consolidation, in obtaining a MANURE which shall maintain a standard and uniform quality, and at the lowest possible price.
