The instruction in Hebrew is given by the Rev. George Sheldon, one of its recent graduntes, and lately a tutor of Greek in the College. at Princeton. We understand that he is making his mark in his teachings to the Junior class of the Seminary. Rev. RESOLUTIONS

Of the Board of Trustees, First Reformed Presbyterian Church, Philadelphia, on the death of Mr. DAVID

Whereas, In the mysterious, but All-wise Provi lence of God, our beloved fellow-member and friend, David W. Denison, has been called from earth to heaven, from the cares and trials of time to the unfading happiness of eternity, and whereas, the relations he sustained to us as a fellow-member and Trustee of this Congregation, make it peculiarly ap-propriate that this Board should take proper notice

of his demise, therefore be it

Resolved, That in the death of our beloved associate we have sustained a deep loss-we are denrived of the counsels and companionship of one who was endeared to us by his winning affability, kindness of heart, and consistent Christian character. We shall miss his valuable services as a member of this Board, which were freely and cheerfully given in "season and out of season," for the welfare of the Church he loved, whose interests, temporal and spiritual were the object of his sympathies, efforts and pray-

"Blessel are the dead who die in the Lord, yea, saith the Spirit, for they rest from heir labors and their works do follow them."

Resolved, That we deeply sympathize with the age I mother of our dear brother, the remaining sorrowing members of her family, and all his afflicted relatives in this sail bereavement. May He who raised again our Lord Jesus Christ from the dead, fill their minds and hearts with the consolations of His Holy Spirit. May the voice of Him, "who spake as never man spake," be heard by them in the tender and cheering tones, "Fear not, thy Son liveth," and "Thy brother shall rise again." may they enjoy that legacy left by Him who hath brought life and immortality to light through the G spel. What is Tarrant's Effervessent Seltzer Aperient and What are its effects? These are questions which the great American public has a right to ask and it has also a right to expect a candid and satisfactory reply. The preparation is a mild and gentle saline cathartic, alterative and tonic and is most carefully prepared in the form of a snow white powder, containing all the wondertal medical properties of the fir famed Seltzer Springs of Germany. Of its effects we would say that those who have tested the preparation are the best judges and they declare over their own signatures, that the preparation will promptly relieve indigestion. Regulate the flow of the bile. Cure every species of headache, Tranquillze the nervous system. Refresh and invigorate the weak-Mittigate the pangs of itheumatism. Neutralize acid in the Stomach. Cleuse and tone the bowels. Assist the failing appetite. Cure the heartburn.

If you are a sufferer give the Remedy one trial, and it will cenvice you of the above facts.

From every quarter, friends write us that systematic, determined efforts are making, and with considerable success, to push into cir culation journals which sympathized with the Rebellion during its progress, and are now moved and inspired by its fundamental principle that Liberty is rightfully the birthright, not of ALL men, but of White men, that Blacks have no rights which Whites are bound to respect. A desperate effort is preparing to give ascendency to the Reactionary principle in our Government through the triumph of its champions in the choice of our next President and Congress The journals thus crowded into circulation by offering them at cost are neither so large nor so varied in their contents, nor pro duced at anything like the cost of THE TRIBUNE. They are political merely or mainly, while our columns are more generally filled with Foreign Correspondence, Parming Intelligence, Literature,

WISTAR'S BALSAM OF WILD CHERRY For the cure of Coughs, Colds, Hoarseness, Asthma, Influenza, Croup,

Bronchitis, Predisposition to Consumption, &c., &c. This great remedy is too well known and is performing too much good to make it necessary to go into an elaborate discussion of its merits. Suffice it to say that it still maintains its supremacy in curing diseases of the most obstinate character, and that all who suffer from the above complaints, after having tested this remedy, seldom have occasion to resort to other appliances to insure a perie t restoration to health.

WEST WINFIELD, N. Y., Dec. 10, 1860.

Mesars S. W. Fowle & Sox, Boston:

Gentlemen—During the winter of 1858 I was very much out of health, afflicted with a severe Cough, Pain in the side and Langs, and a general depression of health to such an extent as greatly to alarm myself and friends as to the result. During this time I tried several highly recommended remedies, with little or no good result, and had concluded to fry the effect of a Southern climate upon my health; but, before carrying this resolution into effect, I was induced by the surgest exdicitation of your agent, Mr. Hantly, to give Dr. Wistars's Balsan or Will Cherry a trial. I did so, and to my great joy found immediate and permanent relief by the use of only one bottle, and I am now in as good health as ever. I believe your Balsam one of the best remedies, for Coughs, Colds, and all Lung Diseases, now in use, and conscientiously recommend It as such.
