Burnett's Cocoaine,

For Promoting the Growth of, and Beautifying the Hair, and res dering it dark and Glossu.

The Cocount holds, in a liquid form, a large proportion of dec dorized COCOANUT OIL, prepared expressly for this purpose. No other compound possesses the peculiar properties which so exactly suit the various conditions of the human hair.

LOSS OF HAIR:

MESSRS. JOSEPH BURNETT & CO:

I cannot refuse to state the salutary effect in my own aggravated case, of your excellent Hair Oil.—COCOLINE.

For many months my hair had been falling off, until I was fearful of losing it entirely. The skin upon my head became gradually more and more inflamed, so that I could not touch it without pain.

pain.

By the advice of my physician, to whom you had shown your process of purifying the 0il, I commenced its use the last week in June. The first application sllayed the itching and irritation. In three or four days the redness and tenderness disappeared; the hair ceased to fail; and I have now a thick growth of new hair.

Yours, very truly,

SUSAN R. POPE.

A REMARKABLE CASE.

EAST MIDDLEBORO' MASS, June 9, 1864.

MESSRS. BURNETT & Co.:—

I send you a statement of my daughter's case, as requested.

She will have been sick six years, if she lives until the 1st of August part. She will have been sick slx years, it she lives until the lat of August next.

When the hair came off she had been afflicted with neuralgia in her head for three years. She had used, during that time in my powerful applications. These, with the intense heat caused by the pains, burned her hair so badly that, in October, 1861, it all came off, and for two years after, her head was as smooth as her face. Through the recommendatiod of a friend, she was induced to try your Cocoains, and the result was astonishing. She had not used half the contents of a bottle before her head was covered with a fine young hair. In four months the hair has grown several inches in length, very thick, soft and fine, and of a darker color than formerly. She still continues the Cocoaine, and we have little fear of her losing her hair.

With respect,

WM. S. EDDY.
