He is the last of the leading Americans who had the courage to rise above political partisanship."—The Morning Telegraph says, "Mr Stevens was neither good, wise nor generous, but in his time did signal service, and, with all his faults, merits the famous praise, 'That was a man.'"—The Daily News says, "The death of Mr. Stevens leaves an important place unfilled both in the lead of his party and in the annals of the nation."—Paris.—M. Austria.—The reply of Baron Beust to the recent Papal allocution says the language of the allocution is of a severity he has a right to complain of, and charges the Holy See with extending its interference to subjects which the Austrian Government cannot admit to be within its authority. Galvez and Lopez have been shot; Chavez has retired from business; Plata asks pardon; the Sierra insurrection has been quelled; the Yucatecos cause no anxiety; Generals Aroce and Jimenez in Guerrero subsist on good terms; and government is a matter of fact, and not an open question in the country. A captain's band has appeared in the State of Vera Cruz for the purpose of robbery; but the general military situation is at present duller than it has been for a score of years. The business of policing the country and purging the roads remains; but a very considerable gain has been effected. THE COURT AND CAMP OF DAVID. By Rev. P. C. Headley. Three names in Sacred History stand in high pre-eminence, and mark an era in human progress, as do milestones in the pathway of travelers. Moses, David and Paul, as representative men, had each a work to accomplish from the Divine Hand, which has linked them to the destinies of our race, and placed their names in imperishable history. The readers attention is invited to DAVID IN HIS COURT AND CAMP. This work was prepared to meet a felt and popular want; but few biographies have been written of this remarkable Sovereign, Hero and Poet, of ancient Israel, and these, not always in a style most happily adapted to the masses of our people. Everything, therefore, relating to David and the eventful scenes of his reign, touches a chord of deepest interest in thoughtful minds; for it stands related to Calvary and the well being of the race. The author holds a pen of rare descriptive powers, and the work in its Scriptural and graphic style, will awaken fresh interest in the greatest, General, and the grandest epoch of Hebrew history. In its mechanical execution, nothing has been left undone to fill the eye and make it a model of excellence; printed on fine toned paper, in bevelled boards, full gilt, and gold lettered, with six color tinted and elegant illustrations, the work will minister to every refined taste and challenge the admiration of all lovers of the beautiful. Sold only at Subscription Price, \$3.75. Will be ready Aug. 1. HENRY HOYT, Publisher, No. 9, Cornhill, Boston. SPECIAL NOTICE. 25-1000 Agents Wanted. To sell the COURT AND CAMP OF DAVID in all parts of the United States. To ministers with limited salaries and dependent families, to energetic ladies, to students and men of every class, I offer the most liberal inducements to canvass for the work. The book will sell freely, and any efficient man or woman can make ten to twenty dollars per day in canvassing. Please send at once for terms and circular.

700 MILES OF THE UNION PACIFIC RAILROAD. Are now finished and in operation. One hundred and sixty miles of track have been laid this spring, and the work along the whole line between the Atlantic and Pacific States is being pushed forward more rapidly than ever before. More than twenty thousand men are employed, and it is not impossible that the entire track, from Omaha to Sacramento, will be finished in 1869 instead of 1870. The means provided are ample, and all that energy, zeal and money can do to secure the completion of this GREAT NATIONAL WORK, at the earliest possible day, will be done. The UNION PACIFIC RAILROAD COMPANY receive: I.—A Government Grant of the right of way, and all necessary timber and other materials found along the line of its operations. II.—A Government Grant of 12,000 acres of land to the mile, taken in alternate sections on each side of its road. This is an absolute donation, and will be a source of large revenue in the future. III.—A Government Grant of United States Thirty-year Bonds, amounting to from \$10,000 to \$45,000 per mile, according to the difficulties to be surmounted on the various sections to be built. The Government takes a second mortgage security, and it is expected that not only the interest, but the principal amount may be paid in services rendered by the Company in transporting troops, mails, &c. The interest is now much more than paid in this way, besides securing a great saving in time and money to the Government. IV.—A Government Grant of the right to issue its own FIRST MORTGAGE BONDS, to aid in building the road, to the same amount as U. S. Bonds, issued for the same purpose, and so more. The Government Guarantees the Trustee for the First Mortgage Bondholders to deliver the Bonds to the Company only as the line is completed, and after it has been examined by United States Commissioners and pronounced to be in all respects a first-class Railroad, laid with a heavy T rail, and completely supplied with depots, stations, turnouts, carshops, locomotives, cars, &c. V.—A Capital Stock Subscription from the Stockholders, of which over Eight Million Dollars have been paid in upon the work already done, and which will be increased as the wants of the Company require. VI.—Net Cash Earnings on its Way Business, that already amount to more than \$18,000,000 on the First Mortgage Bonds. These earnings are no indication of the vast through traffic that must follow the opening of the line to the Pacific, but they certainly prove that First Mortgage Bonds Are Secure Upon any Contingency. The Union Pacific Bonds run thirty years, are for \$1,000 each, and have coupons attached. They bear annual interest, payable on the first days of January and July at the Company's office in the City of New York, at the rate of six per cent. in gold. The principal is payable in gold at maturity. The price is 102, and at the present rate of gold, they pay a liberal income on their cost. The Company believe that these Bonds, at the present rate, are the cheapest security in the market, and reserve the right to advance the price at any time. Subscriptions will be received in Philadelphia by DE HAYEN & BRO., W. M. PAINTER & CO., SMITH, and New York. At the Company's Office, No. 20 Nassau Street, AND BY John J. Cisco & Son, Bankers, No. 59 Wall St. And by the Company's advertised agents throughout the United States. Remittances should be made in drafts or other funds payable in New York, and the Bonds will be sent free of charge by return express. Parties subscribing through local agents, will look to them for their safe delivery.
