GENERAL.

Treasury.—The prosecution of Commissioner Rollins in New York, ended Oct. 7, in a dismissal of the case, as no evidence sufficient to justify its further prosecution was forthcoming.

The President, in view of Gen. Reynolds' alleged order, prohibiting the people of Texas from voting at the Presidential election, has issued a general order, directing the attention of military officers to the mandatory language of the Constitution on the subject, and to the act of Congress punishing any interference by the military with the freedom of election in any of the States.

Congress will not meet in quorum Oct. 16th, and so will be adjourned by the presiding officers till No. 19th.

The Indian Commission, which closed its sessions at Chicago, Oct. 10th, recommends that provision be made for the support of the Indians on agricultural reservations, and that they be so long recognized as independent nations, except as required by existing treaties; that the military be employed for their removal, and that the Indian Bureau be transferred to the War Department.

STATES AND TERRITORIES.

Connecticut.—The election returns show large Republican gains. Thus in sixty towns the net gain is 3,556, being eight hundred more than Gov. English's (Dem.) majority last Spring.

Pennsylvania.—A torch-light procession of Republicans, at Pittsburgh, Oct. 7, ended in a riot being raised by a Democratic mob. The Mayor and several others were shot.

Philadelphia.—Judge Read, of the Supreme Court, has written a letter to Chief Justice Thompson, declaring that he and Judges Agnew and Williams, being a majority of the bench, have met in conference in this city, and regard the naturalizations executed in the Supreme Court since Sept. 1st, as illegal and invalid, as having been performed without due precautions, and by the stipstaves of the Court, not by Judge Sharswood.

Alabama.—The Governor has signed the Registration Bill and the Legislature have passed a bill for an election in November.

Louisiana.—The House rejects the Senate bill to compel the Registrars in New Orleans to register the rejected naturalized citizens, but the Courts have issued mandamus to compel them to do so.

Georgia.—Gen. Howard's official report of the Camilla disturbance shows that the aggression was made by the whites acting as a sheriff's posse; and that nine colored men were killed and between twenty and thirty wounded, while only a few whites were slightly wounded.

Virginia.—The Attorney General of Richmond says that it is unconstitutional to pay the small notes issued by the municipality during the rebellion.

Arizona.—A massacre of friendly Indians by the Mexicans, will probably lead to another outbreak.

October 8.—London.—The Whigs are contesting several hitherto Tory constituencies, counting on the new accessions to the list of voters.

October 9.—London.—Gladstone's address to his constituency shows that he has not changed his policy of thorough hostility to the Irish Establishment, and that he will listen to no plan of general endowment in Ireland.

October 10.—London.—Minister Johnson has arranged the preliminaries of a naturalization treaty like that with North Germany.

October 11.—London.—The Liberal papers contrast Gladstone's candor with Disraeli's ambiguity.

October 12.—London.—A Liberal procession at Blackburne, Lancashire, was attacked, Oct. 10, by a mob of Tories, and one man killed and several injured.

October 13.—London.—The expedition against the tribes of North Western India, is progressing favorably.

October 14.—London.—The Liberal papers contrast Gladstone's candor with Disraeli's ambiguity.

October 15.—London.—The Liberal papers contrast Gladstone's candor with Disraeli's ambiguity.

ORGANS.

THE BEST. THE CHEAPEST. THE LOWEST IN PRICE.

THE MASON & HAMLIN ORGAN COMPANY have now such great facilities and resources that they undertake to offer not only the best and cheapest instruments in the greatest variety as to capacity and style, from plain to very elegant, but also the lowest priced organs of good quality which can be produced in America.

THE MASON & HAMLIN CABINET ORGANS. The Standard of Excellence in their department, acknowledged the best instruments of their general class in the world; winners of OVER SEVENTY HIGHEST PREMIUMS in America, and of the FIRST-CLASS MEDAL at the recent WORLD'S EXPOSITION IN PARIS.

THE METROPOLITAN ORGANS. A new series of organs of great power, fine quality and much variety of tone. Elegantly and thoroughly made in every particular, and in general excellence second only to the Mason & Hamlin Cabinet Organs.

THE MASON & HAMLIN PORTABLE ORGANS. Very compact in size; the interior always of the very best quality, but cases quite plain. Each one bears the trade mark, "MASON & HAMLIN PORTABLE ORGAN."

VALUABLE IMPROVEMENT. From this date, (October, 1868,) we shall introduce in several styles of our Cabinet Organs a new and very beautiful invention combining several recent patents. It will be known as

The Mason & Hamlin Improved Vox Humana or Fan Tremolo.

And excels every other attachment of this general class in the beauty of its effects, the perfect ease with which it is operated, its durability and freedom from liability to get out of order.

1. In connection with the Automatic Swell, (exclusively used in the M. & H. Cabinet Organs,) it produces the nearest approach to the peculiarly sympathetic, rich and attractive quality of a fine human voice yet attained in any reed instrument.

2. It is operated by the ordinary action of the bellows of the instrument, and requires no separate pedal, being played by the same motion, and as easily as an instrument without it.

3. It has no clockwork or machinery, and is entirely free from liability to get out of order, and as durable as the instrument itself.

GOLD BONDS

CENTRAL PACIFIC RAILROAD CO. A limited quantity of the Thirty-year Six Per cent. First Mortgage Bonds of the Central Pacific Railroad Company are offered to investors, for the present, at 103 per cent., and Accrued Interest, in Currency.

These Bonds are secured by a Trust Deed upon the most important link of the great Inter-Oceanic Railroad, two thirds of which is already built, at a cost of nearly ONE HUNDRED MILLIONS.

And which enjoys already a self-sustaining way traffic. The whole line of continuous rail between New York and San Francisco will be completed by July next, when an immense through business will undoubtedly follow.

Central Pacific Railroad Company receive from the United States Government about ten millions of acres of the PUBLIC LANDS, situated along the line of their Road; also a Subsidy Loan of U. S. Six Per Cent. Bonds, averaging \$85,000 per mile, as fast as the sections of twenty miles are completed.

The Cash Resources are abundant for the completion of the work, and the net earnings, from the way traffic upon 325 miles now open for business, are more than double the current interest liabilities.

The Company reserve the right to advance the price at any time; but all orders actually in transit at the time of any such advance will be filled at present price. At this time they pay more than 8 per cent. upon the investment, and have, from National and State laws, guarantees superior to any other corporate securities now offered.

Orders and inquiries will receive prompt attention: Information, Descriptive Pamphlets, etc., giving a full account of the Organization, Progress, Business and Prospects of the Enterprise furnished on application. Bonds sent by return Express at our cost.
