FOR PURCHASING THE COMPREHENSIVE

Dictionary of the Bible

EDITED BY REV. SAMUEL W. BARNUM.

Mainly abridged from Dr. Wm. Smith's Dictionary of the Bible. Illustrated with Five Hundred Maps and Engravings.

I. It contains a History and Description of Biblical Customs, Events, Places, Persons 'Animals, Plants, Minerals, and other things concerning which information is needed for an intelligent and thorough Study of the Holy Scriptures.

II. It is a Complete Guide in regard to the Pronunciation and Signification of Scriptural Names, and the Solution of Difficulties respecting the Interpretation, Authority, and Harmony of the Old and New Testaments.

III. It is a Complete Pronouncing and Defining Dictionary, all words being divided into their syllables, and the etymologies and significations carefully given.

IV. It contains over two hundred more pages than any other Abridgment of Smith's Original Dictionary, and each page contains more words.

V. I. has about two hundred more M ps and Illustrations than any other Abridgment, and more than the original work, VI. It contains numecous Important Additions from the latest American, English and German Authorities.

VII. It has a greater range of topics than any other work of the kind. EDITED BY REV. SAMUEL W. BARNUM.

VIII. The significance and meaning of every Greek or Hebrew word is given in English, which is not done in other Dic-tionaries.

itionaries.

IX. It presents the results of modern scholarship in a more complete, intelligible and reliable form than any other Dictionary of the Bible in our language

X. In mechanical execution, type; paper, illustrations, and binding, it is superior to the other Abridgments.

XI. It has been commended in the highest terms by many of the best scholars and ablest critics in the country.

XII. Its decided advantages will cause it to supersede every other work of the kind as the Standard Dictionary of the Prople.

"Since the days of Defoe, there was probably never written a fiction which looked so like truth as this tale of the great Nupoleonic wars. Indeed, it can hardly be called a fiction, except in the names which are given to the characters, for the incidents will all bear the test of historical comparison, and the dramatis persons are perfect types of the good people of the Alsatian border, of which the Con script is a native.
