Taylor's Falls, Minn.—A correspondent of The Herald writes: "Last Sabbath, January 17, we dedicated our new church. Rev. A. H. Carrier, of Minneapolis, preached from Isa. ii. 2. Our church is pronounced one of the most tasteful and comfortable in Minnesota; and thus it corresponds to our village and locality, which is famed from Boston to New Orleans as the most romantic and picturesque in the North-west, if not in the whole country.

Presbytery of Minnesota.—At the special meeting of the Presbytery of Minnesota, held at Minneapolis, on the 23th day of January, Mr. Joseph S. Chapman, of Le Roy, Mr. Oscar H. Elmer of Sauk Centre, and Mr. Lewis O. Thompson of Belle Plaine (all of this State), were ordained to Gospel ministry as Evangelists.

Rev. Dr. Berry of Jersey City, is now with us in St. Paul. We are hoping to furnish him a field for labor. Rev. Dr. H. A. Boardman and family of your city, who are spending the winter in St. Paul, just escaped with their lives, at the burning of the International Hotel. They with other inmates, escaped with only the clothes, they could hastily snatch, in the smoke and confusion. Losing everything of wardrobe and luxury.

St. Paul, Minn., Feb. 1, 1869. Helena, Neb.—The church is in great need of a pastor. San Francisco, Cal.—Howard church is building a neat chapel and lecture room a little to the west of the present church edifice. It is intended for prayer-meetings, Sunday-school services, etc.

Rev. C. C. Hovey, of New Albany, Ind., has received from the Fulton street church of Peoria, Ill., a call which is not only unanimous, but is actually signed by all the members of the congregation.

Rev. H. C. Hovey of New Albany, accepts the call to the Fulton St. church, Peoria, Ill., and will remove there about the 1st of March. Salary \$2,500.

Rev. Henry A. Rossier, after thirteen years and a half of service in the pastorate of the First church of Green Castle, Ind., has accepted the unanimous call of the Congregational church and society of Lebanon, Ohio, and has entered upon his labors.

Rev. F. S. McCabe, formerly of Peru, has removed to Topeka, Kan., and has taken charge of the First church (O. S.) in that city.

Rev. H. L. Teller, late of the Reformed [Dutch] church of Fultonville, N. Y., has accepted the call to the church at Plainfield, N. J., and removed thither.

Rev. A. T. Rankin closed the 8th year of his ministry with the church at Kingston, Ind., at the end of last year. During this period he has united 33 couples in marriage, attended 48 funerals, has baptized 68 persons, viz.: 26 infants and 42 adults; has received 102 persons to the church, 88 of whom were on profession of their faith, 13 have died and 25 dismissed to other churches.

On the evening of January 20th, 1868, a few persons remained after the close of prayer-meeting, and proposed to purchase some land adjacent to the parsonage for the benefit of the pastor's house and dairy. In less than six days they had a deed for 17 acres of beautiful land at a cash cost of \$1,450.

Rev. H. H. Northrop is spending the winter in Ohio, as agent for the Church Extension Committee. His post-office address is Dayton, Ohio.

City Bulletin.

Third Church.—At the annual Congregational meeting of "Old Pine street church," Rev. R. H. Allen, pastor, held a week or two since, the following items of interest were reported:—Added to the church during the year 1868; ninety-four persons, of whom sixty-two were by profession. Present membership 618. Contributions of the church for all purposes during the year, \$19,185. Of this sum, \$6,128 were for the benevolent causes of the church.

Logan Square church is rapidly filling up under the abundant and faithful labors of the new pastor, Rev. Thomas J. Brown. Eleven pews were rented in the last month, and the congregations present a most encouraging appearance.

Rev. B. B. Parsons, D. D., was duly installed pastor of South St. church, Sunday, Feb. 7th, as announced. Sermon by Dr. Adams, charge to the pastor by Mr. Barnes, and to the people by Rev. R. A. Mallery. The services were deeply impressive, and the house was thronged in every part, benches being occupied in the aisles.

We rejoice to add to our city revival intelligence, the fact of a decided and extensive awakening in the First church, Kensington, Rev. J. Hervey Beale, pastor. Over seventy names have been hopefully converted, and at last accounts, the work was going forward with most encouraging indications.

An all-day Union Prayer Meeting is announced to be held in the First church, on Washington Square, this day, commencing at 9 A. M., and closing at 9 P. M. The interesting congregation has continued with steady, hopeful indications, until the fruits may be spoken of with some definiteness. Several extra meetings will be held this week.

The good work goes on in Green Hill church with great power. The meetings of inquiry are eagerly sought, by a large and interesting class of persons, and hopeful conversions are numerous. Special services continue to be held, for prayer and conference.

In response to a call upon such as would at once like to confess Christ before men, a large number of persons promptly rose in Oxford chapel last Sabbath. Only the ordinary services have yet been held.

The increasing numbers of the 5th Ref. Pres. church, Rev. A. G. McAuley, pastor, having made its accommodations too small, arrangements were commenced last summer for a new building, on the site of the former edifice, (York St., near Coral.) but much larger. The building is of brick, 88x100 feet. The audience chamber, with galleries, will have seats for 2,500 persons. The basement, which is some feet above ground, contains a Lecture Room, which will hold 800 persons, and rooms for male and female Bible classes, with an infant school apartment, and a pastor's study, all admirably arranged. The cost of the building, when completed, will be about \$50,000. The lot, valued at \$10,000, was a donation from the Norris family. It is 100x150 feet. The opening services were held in the lecture room, on Sabbath, Jan. 31st, and were conducted by the Pastor, in connection with Rev. Drs. Wylie, Musgrave, Reed, Cooper, Ewing, and others. The attendance was large, and the collections, and subscriptions amounted to the very liberal sum of about \$3,000. The present membership is about 500, and the Sabbath school numbers 400 pupils, and 40 teachers.—Banner of Cov.

The total receipts of the four leading theatres of our city, last year, were \$484,000, an increase of \$80,000 on the year previous.

If congregations are hereafter annoyed by loungers crowding the sidewalk at the time of opening or closing service, they will find Mayor Fox ready to aid them. He has ordered the arrest of all corner loungers and pavement-obstructors, as well as of boys running to fires.

This is a medicine which simply "cleanses" the blood and every organ of the body. This "purgative" is safe to restore your health, if pursued in accordance with the printed directions. One who has recovered his own health by this means tells you to have courage and do likewise. J. J. Cook, publisher of the Banner for twenty years, at Bennington, Vt., says, "Brandrett's Pills cured me of dyspepsia when every other means had failed, and I was actually given up by my physicians and friends."

1000 MILES OF THE UNION PACIFIC RAILROAD ARE NOW COMPLETED.

As 500 miles of the western portion of the line, beginning at Sacramento, are also done, but 267 MILES REMAIN To be Finished, to Open the Grand Through Line to the Pacific. This Opening will certainly take place early this season.

Besides a donation from the Government of 12,800 acres of land per mile, the Company is entitled to subsidy in U. S. Bonds on its line as completed and accepted, at the average rate of about \$26,000 per mile, according to the difficulties encountered, for which the Government take a second lien as security. Whether subsidies are given to any other companies or not, the Government will comply with all its contracts with the Union Pacific Railroad Company. Nearly the whole amount of bonds to which the Company will be entitled have already been delivered.

First Mortgage Bonds AT PAR.

By its charter the Company is permitted to issue its own FIRST MORTGAGE BONDS to the same amount as the Government Bonds, and no more. These Bonds are a First Mortgage upon the whole road and all its equipments. THEY HAVE THIRTY YEARS TO RUN, AT SIX PER CENT. and both PRINCIPAL AND INTEREST ARE PAYABLE IN GOLD.

Such securities are generally valuable in proportion to the length of time they have to run. The longest six per cent gold interest bonds of the U. S., (the '81's) will be due in 12 years, and they are worth 112. If they had 30 years to run, they would stand at not less than 125. A perfectly safe First Mortgage Bond like the Union Pacific should approach this rate. The demand for European investment is already considerable, and on the completion of the work will doubtless carry the price to a large premium.

SECURITY OF THE BONDS. It needs no argument to show that a First Mortgage of \$26,500 per mile upon what for a long time must be the only railroad connecting the Atlantic and Pacific States is very secure. The entire amount of the mortgage will be about \$30,000,000, and the interest \$1,500,000 per annum in gold. The present currency cost of this interest is less than \$2,500,000 per annum, while the gross earnings for the year 1868, FROM WAY BUSINESS only, on AN AVERAGE OF LESS THAN 700 MILES OF ROAD IN OPERATION, WERE MORE THAN FIVE MILLION DOLLARS.

The details of which are as follows: From Passengers \$1,024,005.97; Freight 2,940,232.10; Expresses 51,423.08; Mail 136,235.50; Miscellaneous 51,938.27; Government troops 108,077.71; 1000 troops 449,440.33; Contractors' men 201,176.00; 1000 men 365,493.52; Total \$5,666,631.61

This large amount is only an indication of the immense traffic that must go over the through line in a few months, when the great life of Pacific coast travel and trade will begin. It is estimated that \$1,000,000 per annum must be made the earnings of the road from FIFTY TO TWENTY MILLIONS A YEAR.

At the supply of these Bonds will soon cease, parties who desire to invest in them will find it for their interest to do so at once. The price for the present is par and accrued interest from Jan. 1, in currency. Subscriptions will be received in Philadelphia by De Haven & Bro., Bowen & Fox, Smith, Randolph & Co., and in New York At the Company's Office, No. 20 Nassau Street, and by the Company's advertised agents throughout the United States.

Bonds sent free, but parties subscribing through local agents, will look to them for their safe delivery.

A NEW PAMPHLET AND MAP was issued Oct. 1st, containing a report of the progress of the work to that date, and a more complete statement in relation to the value of the Bonds than can be given in an advertisement, which will be sent free on application to the Company's office or to any of the advertised agents.
