Does Behrend have a ping-pong paddle thief? What happened to all those new paddles we had at the beginning of the semester?

Believe it or not, Cambridge University of England has a tidily-winks team. Each player has his thumb insured by Lloyd's of London for \$700.

I. M. Stinki would like to express his thanks to someone for

having the soap put in the showers???

Did you hear they're going to hire Bob Gumbert to change the light bulbs in Erie Hall? While working out on the trampoline, Bob can just about touch the lower row of lights in the gym.

Ron Kulbacki averaged 15 yards per carry in a recent intramural basketball game. In that same game, Al "Spook" Chikosky made 11 defensive tackles.

Chuck Simons has informed me that Carol Greenert, a first se-

mester freshman, has rolled a 167 for the high girls' game. He also mentioned that Fred Faulk rolled a 244 for high men's game.

The Behrend Campus grapplers went down in defeat at the hands of Thiel College last week. Ed Onorato was the only Behrend grappler to win.

## Faculty Personality

By Cindy Hawkins

Mrs. Thelma Burnett leads an active life in addition to her being housemother to nineteen girls at Behrend Dorm. She enjoys roller skating, and if the weather permits she likes to go to a roller skating rink at least once a week. Other hobbies that Mrs. Burnett possesses are knitting and needlepoint work.

In addition to this long list of interests, she still finds time to study Greek. Although it is not required of a housemother, Mrs. Burnett also has been studying psychology from the same text used by Mr. Ernest Fryer in Psychology 2.

When asking the life-long Erieite if she liked her job, she exclaimed, "I love it! I enjoy living at Behrend Campus. It's every-

thing that I ever wanted." Mrs. Burnett or Mrs. B., as she is called by the students, explained that she enjoys the out-of-doors immensely and loves to take long walks around Campus.

Mrs. B. expressed her feeling about her work when she said, "I feel like this is my home and these girls are all my daughters." She does have one daughter of her own who is married and lives in Canada.

Keeping up with the dorm girls and participating in all of her outside activities, of course, keeps Mrs. Burnett very busy. She confesses only one thing that she misses doing, and that is teaching Sunday school. She formerly held the position as Sunday School Superintendent at the Greek Orthodox Church in Erie, at 212 West Eighth Street.

Foolish boy—the best way to make a bottle of Coke disappear is to drink it! Yes, swallow after swallow, that cold crisp taste is so deeply satisfying . . . and the lively lift is so bright and cheerful the whole day seems happier, just like magic. So open sesame! Just uncap the bottle and get ready for The Pause That Refreshes!
