Even though George Guriel is the only returning player, Coach Goodwin predicts a promising year for his basketball team. This year's players include: George Guriel, Ken Staub, Jack Fern, Bob Smith, Tom Fye, Bob Rose, Joe Mele, Garry Scalise, Denny Lichtenberger, and Donald Filegar.

On November 20, our Behrend team will meet Jamestown Community College. Four days later they will play McKeesport Center. These two schools are our biggest rivals, and the coach fore-

sees very close competition. McKeesport plans to bring a busload of students to try and match our spirit. We've always had a cordial relationship with this school, and we hope it will be retained even after the results of the game.

For the first time in five years, Behrend Campus plans to have a cheerleading squad. Jeanne Chambers and Diane Baldwin are organizing this group with the help of Mrs. Goodwin.

The men's and women's gym classes are now experiencing the excitement of playing dodge-bounce and volleyball.

College Fashion Parade

Plaid's the fad! Pleats are back! Bean-lean shape! Swaggering tunics! Bell sleeves! Red is the color!

Acquire the knack for assembling individual, related separates and the classic all-American look can be yours.

For your classtime outfit start with the ever-popular boy blazer in the see-it-everywhere color this fall: camel. Add a classic shirt of white wool flannel or one of the newest sweaters with the polo

shirt influence. Skirts prove no problem, for you have a choice of the simple, straight cut skirt, or the newest style with box pleats. Complete your casual campus look with a pair of slim and dapper boots.

Study hour finds you comfortably lounging in a pair of bold-plaid Bermudas topped with a tunic shirt belted on the outside. Adding the finishing touches are your surprise color tights and buckled boots.

Taking a fall walk in the

country? Follow the college-look lead and wear a green tunic corduroy jacket and "bean-lean" plaid slacks for that dashing appeal.

For that special date or dance affair, look your prettiest in a floaty plaid to accent the romantic you, bell sleeves to make you feel more feminine, or sparkling brocade for radiant beauty. Slim wools are "in" this year, especially if they're red.

Make-up Magic

During the classtime hours use the "light touch": lipstick blending with your outfit and subtle eye make-up for the natural look. Slightly emphasize your make-up for datetime and evening. Going gala? Try "The Look" for your eyes and go all out with platinum or gold eye shadow.

P. S.

For the daring young miss: Change your hair shade to match

the occasion. Simply use a temporary hair color rinse that can be washed out the next day. Or "streak" or "tip" your hair with gold or silver highlights.

Super Sub!

It's been said that the atomic submarine "Nautilus" stays submerged so long that it only surfaces to let the crew re-enlist.

Perhaps for this reason, the Navy has taken valuable space aboard the "Nautilus" for the only soft-drink vending machine in the entire submarine fleet.

Naturally (or you wouldn't hear about it from us) it's a Coca-Cola machine. And not unexpectedly, re-enlistments are quite respectable.

Rugged lot, those submariners. Great drink, Coke!
