

The Nittany Narrator

FOCUS ON FREDONIA

COACH JIM GALLAGHER is trying to set up another soccer game. Allegheny seems to be the best bet. Experience is the keyword to Cub success—and they will receive plenty of just that—experience—when Fredonia State Teachers' College plays host to Behrend on Monday. If the Cubs can avoid those penalty kicks, they should stand a decent chance of up-ending the high-ranking Blue Devils junior varsity. As viewed during their recent practices, the Cubs seem to be improving by leaps and bounds.

BLOODY ORANGE

COACH RIP ENGLE of the big brother Lions must be in frustration over a hot and cold team plagued by injuries. A record turnout at Beaver Field Saturday sat through rain to root State home, but time ran out on a last-minute drive. State seems to be cold on even numbered games, so we should be hot for game number five against the Orangemen of Syracuse this week. If the pattern runs true: PENN STATE 19, SYRACUSE 17.

PIN BUSTERS

CO-EDUCATIONAL BOWLING should begin next Monday providing there are enough teams. The girls from Hamot are interested, and that should make matters more intriguing. If things get going on Monday, bowling will begin at 6:30 p.m. and cost fifteen cents a line. Those interested in forming a team see either Coach Gallagher, John Fleming, or Bill May.

FOREIGN FLAVOR

CO-CAPTAINS of the soccer team are ED PAAUWE and WILLI SCHICKHAUS. Ed's hometown in the Netherlands is Leidschendam, although he was born in Barendrecht. Willi comes from Bielefeld in what is now West Germany. He has been in the United States for ten years, whereas Ed has been here for only fifteen months. Both played soccer in Europe although not on an established team. Their presence on the Nittany Cub squad, however, gives the team a foreign flavor which elevates its prowess considerably.

FIRST INTERCOLLEGIATE HOME SOCCER GAME SUCCESSFUL

IN A HISTORY-MAKING soccer game, Behrend's Nittany Cubs came out on the short end of a 4-0 score last Saturday afternoon, enabling Grove City to even its junior varsity record at one victory and one defeat.

The match was the first intercollegiate soccer game ever played on the local field. Regardless of the final outcome, the Cubs made an exceptionally fine showing, kicking and heading the ball with surprising ability for a team with less than two weeks practice under its belt. From its Saturday showing, it becomes apparent that the Behrend Campus soccer team has a bright future.

Playing in complete contrast to its nickname, the Grove City "B" squad of Bainbridge, Becker and Bostur accounted for all the scoring in the game with two of the goals resulting from direct free kicks at the twelve yard penalty marker.

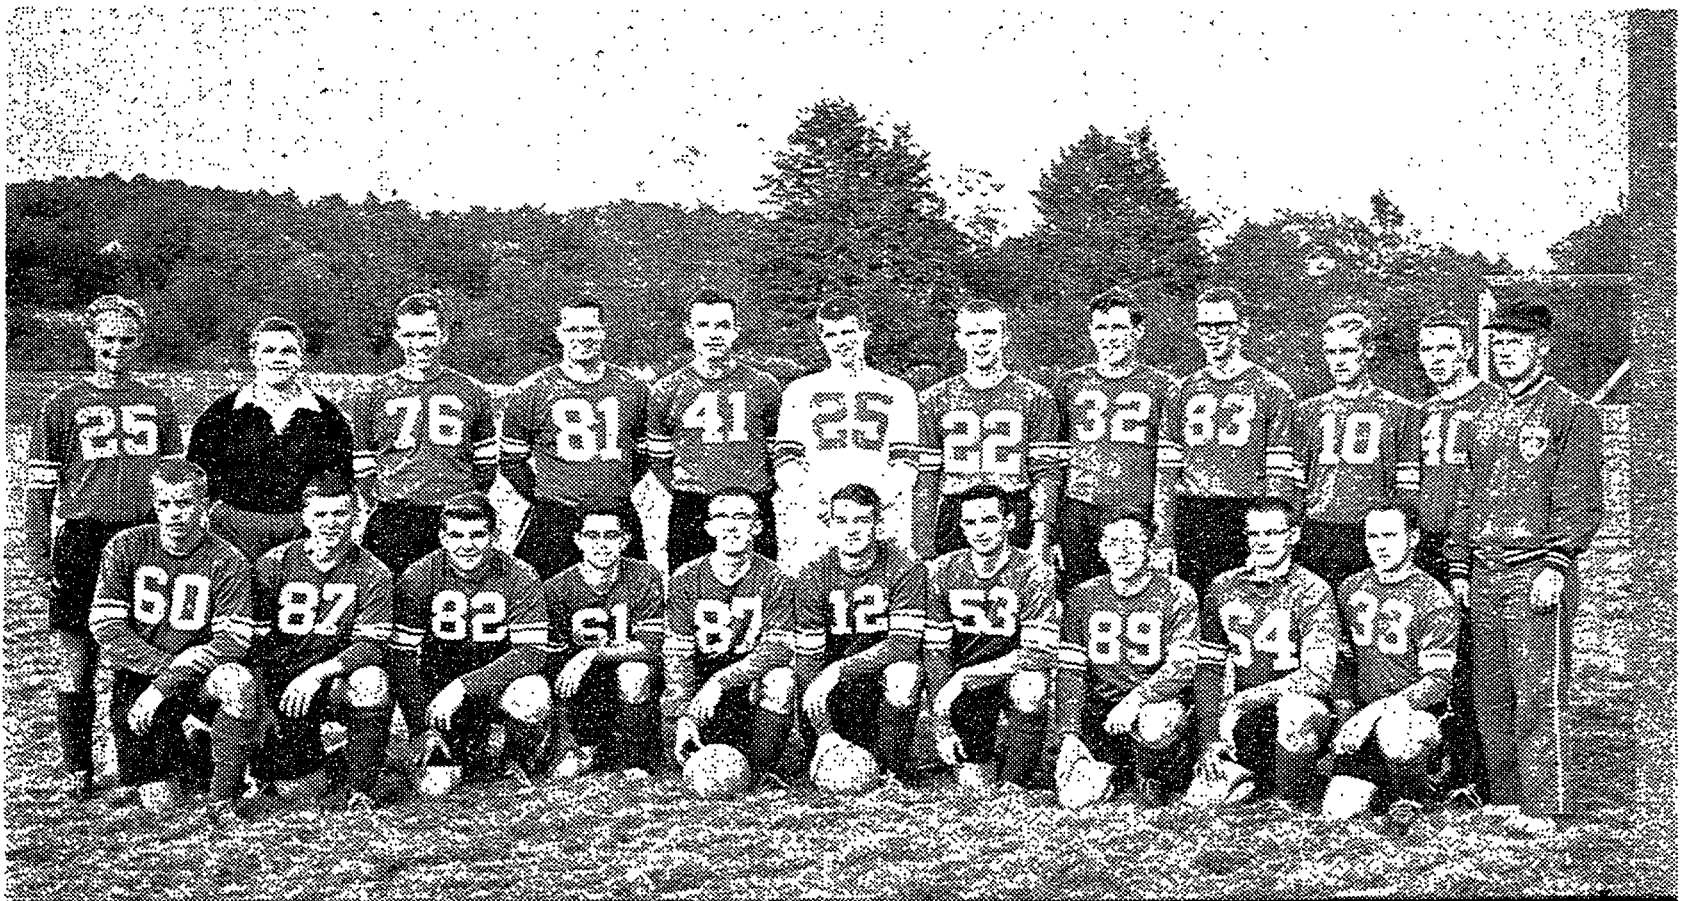

Lyle Bainbridge scored the game's first goal from his right forward position at 16:05 of the initial quarter. The Cityites dominated play in the opening quarter,

keeping the ball in enemy territory for the most part. But Behrend became more aggressive in the second 22-minute span and had several excellent scoring opportunities, including a penalty kick at 10:30.

Grove City outshot the locals in the first half, fifteen to seven, but this was only an indication of things to come. At 2:05 of the third quarter, Bainbridge missed a penalty kick, evening things up as far as missed penalty kicks were concerned. But the Grovers' star forward came back at 8:30 of the same frame to put the Crimson runners into a two goal advantage. With two seconds remaining in the same quarter, he bombed the ball for his third goal of the day. Both scores came on penalty kicks.

After the two third period scores, Behrend was never in the game; and in the second half, Grove City had 21 scoring chances to the Cubs' three. With an assist from Bostur, Becker drove for the visitors' fourth goal at 4:15 of the final frame. Bostur later missed a penalty kick.
