

(Continued from Page 3)

Short on jayvee players, the downstaters were forced to field a few varsity runners, and thus Behrend was up against a far more experienced team. In addition, Grove City began practice on September 19 and played a tune-up game against Slippery Rock before coming here. Considering these facts, the Nittany Cubs played remarkably well.

The outstanding players for Coach Jim Gallagher's Cubs have to be wing Ed Paauwe and forward Willi Schickhaus as they combined to lead the Behrend attack with their fine footwork. Goalie Tom MacAllister put in an excellent game in the cage, recording 17 saves.

The Cubs' next match is on October 23rd against a strong Fredonia (New York) State Teachers' junior varsity squad. The varsity Blue Devils, as they are called, compiled a seven and two record last season and boast a "big time" soccer eleven. It should be good experience for the Cubs.

Frosh Give Foreign Flavor To Term

An important factor for Behrend Center's surge into soccer prominence has been the appearance of two freshmen students on campus. Willi Schickhaus and Ed Paauwe, the co-captains of the soccer team, are the nucleus on which Coach Gallagher has based his team this year.

Willi Henry Frederick Schickhaus was born in Bielefeld, Germany, in 1939. He came to the United States in 1951, making his home in Erie. He completed his secondary education at McDowell High School and graduated in 1957. Willi then enlisted in the Army and served for three years. He is now enrolled at Behrend Campus as a D.D.T. major, but still finds time to play golf and soccer—a game he hasn't played for almost ten years.

Edward Paauwe was born in Barendrecht, Holland. He then moved to Leidschendam, Holland, where he attended Huygens Lyceum for three years. After coming to the United States on June 28, 1960, Ed's family made their home in Fayetteville, Pennsylvania where his father was a consulting engineer in nearby Chambersburg. He attended Gettysburg High School in his senior year and is now enrolled in Penn State's College of Chemistry and Physics. These two students are not only fine additions to the soccer team, but are also fine additions to the United States and Behrend Campus.

Behrend Greet New Teachers

Two new teachers have joined the ranks of the Behrend Campus faculty for the Fall term. The two are Mr. A. Gordon Wilcox, Assistant Professor of English, and Mr. John Bedford, Instructor in Engineering.

Mr. Wilcox comes to Behrend from the Hazleton Campus, where he taught English for the past eight years. A native of Massachusetts, he obtained his M.A. in English from the University of Iowa. He moved to Pennsylvania in 1941 to work at a radio station in Harrisburg. When the U. S. entered W. W. II, he served as radio instructor in the Air Force.

New Teachers

Mr. Bedford is originally from Columbus, Missouri. He obtained his B.S. in Electrical Engineering at the University of Missouri in 1949, and attended Washington University in St. Louis from 1951 to 1955. In 1960, he acquired his M.S. from Notre Dame.

His duties at Behrend mark Mr. Bedford's first position as a college instructor. Besides teaching engineering, he is also sponsoring the Engineers' Club.

YOUNGEST CHAMPION

Fred Herreshoff was only 16 when he won the U. S. Open in 1904.
