

Above are the Nittany Cub basketballers who won seven and lost nine for the best record in Behrend's intercollegiate history. FRONT ROW: Sam Heller, Joe Haser, Tom Apke, Doug Prozan and Bob Vicander. REAR: Coach Jim Gallagher, Bob Cook, Bob McCammon, Walt Pierce, Jim Golembeski and Bill Sauko.

Bob Vicander, above, shows the form that netted him the second highest individual scoring total at 104 points. Bob's big game was against DuBois when he scored

14. He was a big man also in the late-January game against Dyke College of Cleveland as the Cubs won 79-78 in overtime, probably the most exciting game ever played on the local floor. It was Bob McCammon's three point play with 15 seconds remaining that turned the trick here. Other season highlights include the two jubilant games with Johnstown College, the first won by the Cubs 88-80, the second by a 64-61 count.

## Odds & Ends

Two other big men on the Nittany squad were Walt Pierce and Bob McCammon. These were essentially Behrend's "rebound boys." McCammon totaled 46 points for the season and Pierce scored 60. The remaining three regulars, Doug Prozan, Bill Sauko, and Tom Apuke scored 30, 10, and 5 points, respectively. Fifty-three remaining points were divided among seven players who appeared with the club intermittently throughout the year.

Some odds and ends (that will live forever): Doug Prozan loses his mashed potatoes and gravy on the DuBois Campus gym floor! The Morning News' Doug Smith broadcasts the entire Penn State-Cub game out-loud to himself! Rocco Agostini speeds up the games by inducing the scoreboard clock into frequent twenty second skips! The manager forgets most of the uniforms and the Cubs appear against Bryant-Stratton wearing dark blue jerseys and dark green shorts!

It was that kind of a season.

## OSGA

(Continued from Page 1)

include, among other business, Spring elections for officers of O.S.G.A.

S.G.A. President Jim Runzo, Host President, states that this should be one of the highlights for Behrend for the 1962-63 academic year. "We are extremely honored to have as our guests the regular members and officers of O.S.G.A. and their delegations, as well as various University personnel. We are very hopeful for a successful conference, one which will help solve the many student government problems which daily face student leadership throughout the state and nation.

## Jim 'G'

lection to the Region Three All-Star Team. In sixteen games Jim attempted 311 field goals and made 136 for a shooting percentage of 44%. He also attempted 232 foul shots of which he made 135 for a percentage of 58%. "The Hands" hauled down 44 offensive rebounds and grabbed off 98 defensives to give him a total of 142. He scored 409 points for an average of 25.5 points per game, which not only led the Cubs but also the region.

## Skip Speech

(Continued from Page 1)

will also carry the additional bonus of three credits in speech, Oliver added.

He said the exemption plan is an experimental program and is being studied by speech department officials.

Students' grades in speech and other courses will be compared with their test results to determine whether or not the tests are too difficult, too easy, or reasonably accurate.

Students desiring to take the test, which is offered each term during orientation week, may obtain application forms from the speech department, have their advisors sign them, then return them to the speech department.
