Spring Weekend

"... Hail bounteous May that dost inspire
Mirth and youth and warm desire,
Woods and Groves are of thy
dressing
Hill and Dale dost boast thy
blessing.
Thus we salute thee with our early
Song,
And welcome thee, and wish thee
long."

These lines by John Milton well express the budding natural beauty of the Behrend Campus during this season, and the sentiment of the Student Government Association as it plans many activities for the remainder of the Spring Term. Deserving most immediate attention is the Spring Weekend to be held May 8 and 9. Circle K will initiate festivities on Friday evening with its traditional "Ness Night." Saturday will see the campus in a flurry of activity with many SGA-organized events. A co-ed softball game will begin at 2 o'clock, and team captains Paula Harris and Lynn Kostalnick are predicting victory. Any student wishing to play should see either

captain before May 9 to be able to participate in a game that promises to be "laughs and riots," resembling the varsity games. Hopefully the pool will be open and an art exhibit, sponsored by Nittany Promotions, will be on display in the library. The picnic grove will be the scene of a bring-your-own picnic to begin approximately at 5:30. Later in the evening a hayride and record hop will be held off campus at a place to be announced.

The traditional Spring Prom will be held Saturday, May 23, in Erie Hall. This semi-formal event is the most spectacular of the year, and although the theme has not yet been decided, the SGA is putting a great deal of thought and effort in assuring a memorable and fun-filled evening for everyone.

More details on these activities are forthcoming, so watch the bulletin boards and posters, and be sure to reserve the dates of May 8 and 9 and May 23 for "fun and games" on the Behrend Campus.

Five Students Inducted

April 14, 1964 the Behrend Campus Chapter of the Keystone Society inducted the following students into the Society:

Thomas Bundy
Robert Lester Cook
Kathleen Cunningham
JoAnn Guidrey
Theresa Totten

The purpose of the Keystone Society is to encourage academic pursuit and extra-curricular activities and to provide recognition for the "all around" students of the Behrend Campus. In the opinion of the Keystone membership, the students initiated on the fourteenth had more than met the high standards of the Keystone Society and are, without a doubt, "all around" students of the Behrend Campus.

The Behrend Chapter of the Keystone Society is preparing for the Keystone Society State Conference to be held at University Park on May 15 and 16. At this time we will be considering expanding our scope of membership to cover all colleges and universities in Pennsylvania, not just the Pennsylvania State Commonwealth Campuses and our usual state business.

The Keystone Society is sponsoring three musical programs this term; the first program is scheduled for May 9, 1964 with Mr. Kochele, the Director of the Behrend Campus, conducting a program on Dixieland Jazz. Mr. Kochele once had his own radio show on Dixieland Jazz and is quite an authority on the subject. The other two programs will be announced at a later date.

The Keystone Society is planning to promote the Honors and Awards Banquet scheduled for June 6, 1964. At this banquet all athletic, academic, and honorary awards will be presented to the deserving students at the Behrend Campus.

Former Behrend Student Collegian Editor

As many of you already know, John Thompson, a former Behrend student now at the main campus, was appointed editor of the *Daily Collegian*. We, of the *Cub* staff felt the following excerpts from a letter written to Dean Lane would be of interest to the student body:

It is a great honor, and yet an overwhelming responsibility I welcome it, with the assistance of my staff, as a chance to better Penn State, both the University Park campus and the Commonwealth campuses which mean so much to me. . . I am proud of my two years of education and participation in activities at the Behrend Campus. I do not consider it a disadvantage for my present post to have spent two years at another campus, since my opportunities to be a student leader there gave me an insight into student problems which I hope will aid me as editor. I would not have been able to participate in student government, drama, or the seeming score of activities I

(Continued on Page 4)

ACADEMIC ACCOLADES

23 Behrend students attained the distinction of being placed on the Dean's List last term, Winter 1964. Only those students who earn an average of 3.50 or better receive this honor.

Five Dorm girls were so honored, they are Carol Bellini, Margaret Domenico, Gloria Giles, JoAnn Guidrey, and Sara Spatz. 11 students from Erie also were included, they are Frank Grabowski, Nicholas Rogers, John Courtney, David Schutter, Joanne Vogel, Ed Szympruch, William Kern, Ron Aitken, Paul Jueschke, Darrell Rose and Dave Goodwill.

Other students from out of town are Robert Patalon, James Bates, Ronald Gildersleeve, Charles Croskey, John Zahniser, William Conley and James Gaines.

John Thompson
New Collegian Editor

Incumbents Sweep Election

With the exception of John Miller, who filled a vacancy that already existed, the incumbents were all elected. 180 students voted, a percentage of about 60, which is almost ten per cent lower than voter turnout last all.

Those elected for the remainder of the spring term were Kathy Cunningham, Lynn Kostalnick, John Miller, Bill Harding, and Dave Goodwill.

Carry-overs for the next academic year will be Bill Harding, Terry Totten, Lynn Kostalnick, and Tom Bundy. Only these four are eligible to run for president May 7, and Tom, Bill, and Terry have expressed wishes to do so. That candidate who receives the second highest vote will be the vice-president. Also on the ballot will be a referendum regarding the acceptance of a revised constitution, so be sure to look it over beforehand.

The referendum to decide the location of the Spring Weekend Hayride resulted in a demand for an off-campus affair.

Congratulations to the successful aspirants to that high body, the S.G.A.

Circle K Corner

As the year draws to a close, the Circle K members begin to make plans for the annual Ness Nite event.

This will be held in Erie Hall on May 8 from 8:00 p.m. till who knows when. For those of you who don't know what Ness Nite is, let me explain. Now then, explaining brings about another problem; this being the nature of events during Ness Nite. Due to certain University regulations, if
