Homecoming Approaching

Behrend's annual Homecoming Dance will be held on Saturday, October 24th at Erie Hall from 9 to 12.

"La Vie," is the theme for this year's dance and couples will dance to the music of Neil Charles.

The traditional election of a homecoming queen by the men will take place on Friday, October 23, in the lobby of the Otto L. Behrend Science Building.

Last year's queen, Judy Konscal, will crown the candidate selected as queen and will present her with a single, long stem red rose.

The centerpiece for the dance will consist of a crystal ball suspended from the ceiling and a revolving Behrend seal made out of white, blue, green and black kleenex flowers.

Tickets for the dance are \$2.50 per couple and refreshments will be served during the dance.

STUDENT BODY WELCOMED

The faculty and staff of the Behrend Campus welcome both Freshman and Sophomore students to this institution of learning and wish you success in your academic endeavors this year.

As students at the Behrend Campus of the Pennsylvania State University, you join the academic community. There are many opportunities for a variety of experiences, including the academic as well as social and citizenship. It is our hope that you will approach your educational opportunities with an intellectual curiosity and responsibility that will permit you to learn as much as possible.

We hope you will take advantage of every opportunity for your growth that will be afforded you this year. It will, however, depend upon you, the individual student, as to what kind of a year this will be at the Behrend Campus.

Dean Lane

It is a pleasure for me to welcome you to the excitement that going to college certainly is. In addition, however, I should like to welcome you to the challenge of college.

For you, a time now begins in which your values may suffer some transformation, and, indeed, change completely. There is no magic formula for success in college. I suppose, but if I were asked to give any advice in terms of how a student could be successful in college, I would tell him to become involved; become involved intellectually, spiritually, and morally with your fellow students, faculty and the disciplines they represent. Communicate; go beyond the narrow limits of your own personality; stretch yourself. You'll be amazed at how far you can really go.

I wish all of you success in the coming academic year.

Dean of Student Affairs
Benjamin A. Lane

Parents Invited

Ten New Members Chosen

By Denny Conley

Friday, October 16, 1964, was election day at Behrend Campus. The polls were open between the hours of 9:00 a.m. and 5:00 p.m. For the ten positions open in the S.G.A., eighteen students took out and completed nominating petitions.

The candidates were: Tom O'Connor, Jackie Munger, Cathy Salamon, Bill Kern, Charles Swedrock, Cindy Kujan, Sheila Reinhold, Kathy Rutkowski, Tom Herman, Bonnie Cass, Norm Balmer, Steve Fine, Jon Lee, Jim Brennan, Roger Johnson, Gale Richards, Jim Dufala, and Michele Bloxham.

The candidates drew numbers to determine their positions on the ballot. This numbering was also the order in which the candidates spoke on Tuesday, October 13, 1964, for the S.G.A. candidates' speeches.

Each candidate spoke on his or her qualifications, why they wanted to be a member of S.G.A., and what plans they had for the coming year. These speeches were delivered in Room 101 of the Science Building. The audience numbered around the fifty mark.

Voting took place in the lobby of the Science Building with the present S.G.A. members supervising. The names of the candidates are listed in the prearranged order on a ballot. Voter turnout was a little better than the na-

tional average, or approximately 60%.

tween 400 and 500 persons are expected to be present. The program will, in the words of Dean Benjamin A. Lane, "afford parents an opportunity to get a realistic idea of students' progress. It is also a wonderful time to discuss below-grades, which will be in October 31."

Running concurrently with Parents' Day will be an exhibit of contemporary art entitled "Nine West Virginians." The exhibit, on loan from the University of West Virginia, will be on display in the library.

tional average, or approximately 60%.

The students who will represent you in the S.G.A. this year are the three members from last year, and the ten new members. The three from last year are: Tom Bundy, Terry Totten, and Bill Harding. The ten new members are: Tom O'Connor, Jackie Munger, Cathy Salamon, Bill Kern, Charles Swedrock, Sheila Reinhold, Tom Herman, Bonnie Cass, Jim Dufala, Michele Bloxham.

Congratulations to the new members of S.G.A. from the Nittany Cub.
