

WINTER CARNIVAL TIME NEARS

Firms To Interview Behrend Students

Here's a note of interest and importance for all Associate Degree students planning on graduation this year. Beginning on Thursday, the 14th, and lasting through April the 8th, various companies will be sending representatives to the Behrend Campus for interviews concerning employment with their companies. This is a very handy opportunity and could mean landing that job you want in a hurry. Times and rooms for the interviews will be posted. A list of dates follows.

Companies interested in reaching the graduating populace and are not coming here to give interviews have sent applications which may be picked up in the Office of Student Affairs in the Administration Building. These companies are also listed.

Interview—Date—Company:

Thursday, January 14—Proctor & Gamble Company, Cincinnati, Ohio.

Behrend Students Short on Support

By John Beavers

The students at Behrend have shown a decided lack of interest and participation in the intramural sports program.

Coach Sweeting has expressed a willing desire to offer his time and effort to an intramural program for the pleasure and benefit of the Behrend students. We are very fortunate to have a coach like this. The Behrend students, however, have not responded in great enough numbers to bring the program into active and thriving reality. Three students signed up for a proposed billiards tournament. One team signed up for a table tennis doubles tournament. After basketball season, Mr. Sweeting will attempt to conduct intramural volleyball during the common hour periods. This team sport also has a need for more competitors. Yet Coach Sweeting is still willing to organize these events, or any other activities the Behrend students would suggest, if the interest is great enough. The opportunity is there. It's up to us to take advantage of it.

Tuesday, January 19—Union Iron Works, Erie, Pa.

Wednesday, January 27—Chicago Bridge & Iron Company, Greenville, Pa.

Tuesday, February 2—Hycro Inc., Ashland, Ohio.

Thursday, February 4—Reliance Electric & Engineering Co., Ash-tabula, Ohio.

Wednesday, February 10—I. B. M., Owego, New York.

Friday, February 12—Joy Manufacturing Co., Franklin, Pa.

Thursday, February 18—New York Air Brake Co., Watertown, New York.

Friday, February 19—Sandia Corporation, Albuquerque, New Mexico.

Tuesday, March 9—General Telephone Co., Erie, Pa.

Thursday, April 8—The General Electric Co., Erie, Pa.

Applications at office—Kaiser Aluminum & Chemical Corporation, Erie, Pa.; Boeing Company, Seattle, Washington; Copes-Vulcan Division, Blaw-Knox Company, Erie, Pa., (will conduct in-plant interviews); Swanson-Erie Corporation, Erie, Pa., (will set up interview date).

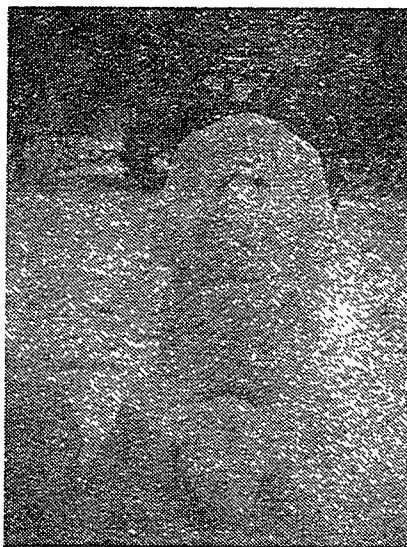

The Winter Carnival Dance will be held Sat. January 30 from 9 to 12.

If you have any girl in mind that you would like to see become the Winter Carnival Queen, I urge you to get an application from the SGA office.

The application must have ten male signatures and be turned into Marty Pennington by January 28. Voting for the Winter Carnival Queen will take place at the door prior to the dance.

Due to the fact that Circle K is sponsoring the dance the ballots will be counted by SGA members.

Where have all the dancers gone? The Dorm Girls are anxiously awaiting the Winter Carnival. Does this sound like a hint, boys?

One of many sculptures which adorned the campus last year.

Book Report

Have you ever wondered about the Amish people? An interesting addition to our library, *Amish Society* by John A. Hostetler, is an absorbing account of a people who have said "no" to progress. It tells of their history and heritage, their customs and folkways, the communal triumphs and personal agonies that result from their conflicts with modern civilization.

The author writes about the Amish with unique authority and understanding, for he was born into an Amish family and reared as an Amishman until, as a youth, he left the group to obtain an education. Thus, he brings to his subject not only the sociologist's professional detachment, but also the deeper awareness engineered by his having been a member of the Amish community.

Hostetler never idealizes the Amish, but from his understanding of Amish values emerge great and ponderable questions: As mankind transforms tribal communities into vast urban com-

S. G. A.

On January 5, 1965, at its first meeting of the winter term, the SGA accepted the resignations of four of its members. Interested students submitted applications for these positions. They attended the SGA meeting of January 19, 1965. The four new members will be chosen from these applications by the present members of the SGA on Tuesday, January 26, 1965.

Behrend's only student activity covering an entire weekend will be held Jan. 29, 30, and 31, when Circle K sponsors the Winter Carnival.

The Carnival will get under way Friday, Jan. 29 with a picnic and hootenanny in the picnic grove. Anyone with warm fingers and a guitar is urged to bring them. The picnic will be held regardless of the weather.

Saturday there will be snowball rolling, snow sculpturing, the decorating of Erie Hall, and finally, the Winter Carnival Dance highlighted by the crowning of the Winter Carnival Queen.

The Glenwood Ice Skating Rink has been reserved for a skating party from 10:00 p.m. till midnight. Dorm girls' hours will be extended to 1:00 a.m.

What is the cost to the human spirit? How much destruction of old values, how much alienation of parents from children, of neighbor from neighbor, of man from his traditional culture must there be?

John Hostetler is in the Department of Sociology and Anthropology, Pennsylvania State University, where he took the Ph.D. He has also studied at Heidelberg University.

Trash & Treasure
