BEHREND STUDENTS IN MODEL U. N.

Altoona Hosts Conference

The Western Regional OSGA Conference for the Winter Term will be held February 19 and 20 at the Altoona Campus. Members of the Behrend Campus SGA who will be attending this conference are Tom Bundy, Bill Harding, Michelle Bloxham, Tom O'Conner, Terri Totten, Chuck Swedrock, and Bill Cook. The purpose of this conference is to discuss the possibility of an All-University Day and a Commission System, both of which were topics at the Fall Conference.

The question of an All-University Day has been under discussion for quite some time. In short, this is a plan for a day on which students from all fourteen Commonwealth Campuses would go to University Park in the fall to see a Penn State football game. Other activities which might be sponsored the same day for Commonwealth Campus students include a dance, mixers, and visits to the fraternities and sororities. Transportation, meals, housing, and seating accommodations at the game are a few of the knotty problems which the OSGA delegates will try to solve.

The proposed Commission System would be an ever-expanding information center. The various Commonwealth Campuses would be instructed to conduct studies on certain aspects of the collegiate life and to send their reports and data to the Commission System headquarters. The information would be filed there and would then be made readily available to any campus desiring information on a certain topic. For example, information could be gathered on social events, so that one campus planning a social function could send to the Commission System headquarters and find out how another campus handled a similar function. Another virtue of the system would be that delegates to future OSGA

Coming Up

February

- 4—Thursday—Associate Degree Interview—Reliance Electric and Engineering Company
- 5—Friday—Fifth Week of Winter 1965 Term begins Intercampus League Tournament—McKeesport Campus Basketball—Jamestown College—8:00 p.m.—Home U. S. Marine Corps Officer Recruitment—Lobby—Otto F. Behrend Science Building

conferences would be able to obtain all information available on some perplexing problem which is to be a topic for the conference, and would then be able to study

U.N. Delegates—Terri Totten, Chuck Swedrock and Dick Atkinson

Six Behrend students left for the Main Campus at University Park on Friday to attend the annual model United Nations. All the campuses are invited to take part in the model U. N., but the major part of the proceedings are carried on by the Main Campus students.

Attending the three-day session from the Behrend Campus were Chuck Swedrock, chairman; Bill Krack, Jim Brennan, Dick Atkinson, Cathie Salamon, Terri Totten, and Mr. Peightal as advisor to the group.

The Behrend students represented the French-African Republic of Mali in the realistic ques-

COPIES SOUGHT

The Behrend Campus Library is searching for several back copies of the Nittany Cub which are missing from the library's collection. These papers, most of which are from the years 1959, 1960, and 1961, are wanted for the Penn State collection at the Fred Lewis Pattee Library at University Park.

Also missing is a copy of the Bits of Behrend yearbook for 1957. Anyone having any old copies of the Nittany Cub is urged to bring them to Miss Margaret Schumacher in the library.

tion-debate meetings. Mali has an area of about 464,874 square miles and a population of 4,200,000. Its principle cities are Bamako, capital; Kayes, and Segou. The capital has a population of 130,800 which makes it almost as large as Erie. (Erie had 138,440; both est. 1960). The language spoken is French and African.

Students Receive Co. Interviews

As a result of previous interviews by companies, a number of Associate Degree students have been invited for further interviews and plant visits.

The Union Iron Works has invited Tom Pius, Edward Szympruch, Frank Patalon, Craig Engel, Joe Stee, Larry Wilson and Doug Sheets for a further interview and luncheon.

Plant visitations were extended by the Proctor and Gamble Company to Emil Piolet, John Clapper, Pon Gildersleeve and Frank Patalon.

Upcoming interviews will be held by the Hyco Company of Ashland, Ohio, on February 2 and by the Reliance Electric and Engineering Company of Astabula, Ohio, on February 4.
