

Cubs Meet Jamestown on Friday

Ski Club Organized

Behrend's interest in the sport of skiing was encouraged by the start of a campus ski club, advised by Mr. Cherry.

The club, which has about a dozen members, has shown a strong interest in the Behrend ski slope. With help from Mr. Kochel, the club has moved trees, posts and brush to add to the safety of the slope.

Mr. Cherry got the ski tow in working order, which most students attest that it should be more powerful, and runs it whenever possible.

Henry Sproat was the man who started the work on the tow. He designed it and put up the poles, but left Behrend before he could get it finished. Since then, Penelec and Mr. Cherry have teamed up to bring it into a useful project.

The club has been thinking about renting or purchasing equipment, since only five have the skiing essentials. Anyone newly interested is welcome to see Mr. Cherry or one of the club members.

Swimmers Vie In State Meet

The PJCAA has planned a state-championship swimming meet at Point Park Junior College on March 12.

League members of the PJCAA are eligible for the eleven-event contest. Behrend has participated in this meet for the past three years and has had many individual winners. Bill Harding and Dusty Loeffel were victorious last year in their event. The individual limit is three events.

Other league members competing will be Point Park, Hershey and York Colleges.

Anyone interested in competing should contact Coach Sweeting for more information.

Keystone Society

The Keystone Society will sponsor a tutoring service beginning February 8. The tutors will be students with at least a "B" average in the subject they are tutoring. There will be no charge for the tutors.

Students needing aid should contact Larry Petroff who will assign a tutor to them. Any student wishing to tutor should contact Tom Bundy or Larry Petroff.

Cubs show good coverage against strong Dubois Team

Friday night at 8:30 will be the start of another big basketball weekend at Behrend.

The Behrend '5' will be looking for revenge when Jamestown Community College invades the Erie Hall. The Muskies beat Behrend 97-69 on its home floor almost four weeks ago.

Dick Cole is the big gun for Jamestown, who had 16 points against Behrend in their first meeting.

On Saturday at 3:00 p.m. Behrend will take on Fredonia State's freshman squad. An action-packed contest will be in store for this is the only meeting between the two clubs this season.

Behrend will showcase its "Big Seven" led by Dan Casane (281 points), top rebounder Walt Eksarchow, top defensive man Bob Arpin, Dan Chase, Chuck Janicki, John Cardamone and Pete Bliagous.

Cardamone played one of his best games this season against Johnstown last Saturday. John hit

on five for six shots at the foul line and nabbed his share of rebounds. He ended up the day with 11 points. Eksarchow was high scorer in that fracas with 14 counters. Behrend, however, lost a hard-fought 74-86 decision.

Coach Sweeting hopes to see the reception the Cubs received from the students at the Point Park's home game. He felt the 'Behrend Band' did a terrific job in creating enthusiasm for the team.

The Cubs return to Erie Hall on Saturday, February 13, at 8:00 p.m. The Behrend '5' will go against league-leading Robert Morris Junior College.

Ski Slope Hits Unsuspecting Few

The Winter Carnival activities started Friday night with a picnic and three casualties as a result of a tobogganing party. Brad Baker was the first victim of Behrend's ski slope. Lynn Kostalnick and Jim Trozzo both met with misfortune when their toboggan turned over. Jim passed out and was carried to the O. B. building by Marty Pennington where he gained consciousness and walked to Erie Hall. Jim passed out shortly after entering Erie Hall and was rushed to the Hamot Hospital by Wesleyville Police with Dave Paul at the wheel and Frank Polimene acting as attendant. Jim was admitted with a head concussion while Lynn was treated with four stitches and released.
