## BEHREND REPRESENTED AT REGIONAL MEETING

### Alumnae Assoc. Plans Activities for Behrend

The Alumnae Association of Behrend Campus held a meeting on Monday, February 15th in Room 101, Otto Behrend Science Building, Behrend Campus. Present for the meeting were: James Benson, President; Walter Parker, Treasurer; Richard Mytzenzer, Mr. and Mrs. David Howell, Attorney Roger Fisher, Tom Bundey, Michele Bloxham, Marty Pennington, President of Circle K; Bob Carlson and Dean Benjamin Lane of the Behrend faculty.

Discussion was held on various projects which would be mutually beneficial to both students and the Alumnae. The Alumnae invited the Student Government Association and other student organizations to share opinions and views.

The two affairs planned at this meeting were an ice-skating party to be held within the next few weeks at Glenwood Rink for the Alumnae and students of the Behrend Campus, and a tentative dinner-dance to be held in the spring.

Plans for next year's Homecoming were also discussed before the meeting adjourned.

The Western Regional OSGA Conference for the Winter Term was held on February 19 and 20 at the Altoona Campus. Behrend was represented by Tom Bundy, Bill Harding, Michelle Bloxham, Tom O'Connor, Terri Totten, Bob Carlson and Steve Fine.

In discussing the role of the SGA and the Administration it was decided that the SGA should take all the responsibility it can handle provided it can administer and enforce any regulations which it invokes. If the SGA fails in meeting its responsibilities, the projects would revert back under the authority of the administration.

A resolution that the bill pertaining to the OSGA conferences be adopted by the entire student organization was passed by the Western division. This proposed bill would make the summer conference for carryover SGA mem-

bers only instead of present policy of including potential SGA freshmen. The fall conference, which would be held during the Christmas break, would then include the newly elected freshmen and orientate them to SGA policies. The spring conference would be extended to three days instead of the original two.

In outlining the Commission System, it was agreed that there should be a centralized system established at University Park. It was suggested that a trial commission system on a decentralized bases be established in the western part of the state to encourage communication and unity among campuses.

With the expansion program of most commonwealth campuses, it was recommended that an organization on all campuses be established that would function as an activities board. This board would take care of all the activities sponsored by clubs, raise funds, and set up the calendar of events.

### TRAFFIC COURT ADDS MEMBERS

STUDENTS BEWARE!! The Behrend Traffic Court is back in operation!!

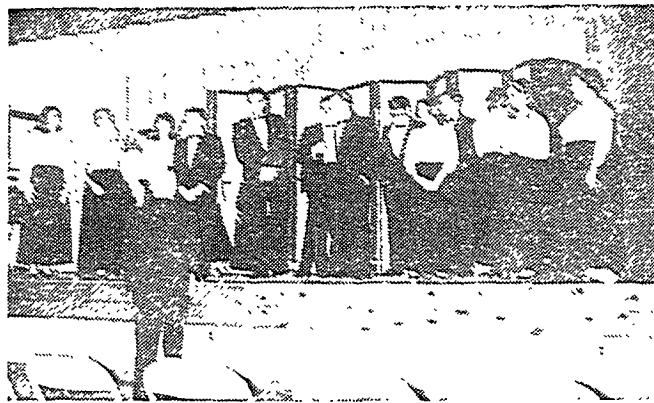

The traffic court was recently re-staffed, bringing the total number to five. The two members remaining from the Fall Term, Jim Brennan and Bill Kern, have been joined by three new members, Les Bloom, Roger Johnson, and Bob Ronczka.

Les Bloom, a fifth-term engineering student, hails from Erie, Pa. Roger Johnson, a pre-med student, also resides in Erie. Bob Ronczka, residing in Wesleyville, during the school term, has his roots in Ambridge, Pa.

The first meeting of the traffic court for the Winter Term was held during Common Hour on Thursday, February 18, 1965. Three Behrend students had appealed their fines, and appeared before the court to present their cases.

If you have appealed a case to the traffic court, watch the bulletin boards for a notice of your hearing.

### Penn Singers Present Opera

The Penn State Singers, under the direction of Raymond Brown, presented an opera buffa in English and a variety of other choral music in Erie Hall, Saturday, February 20 at 8:00 p.m.

The opera presented was La Serva Pedrona (English translation—The Maid As Mistress) by Giovanni Battista Pergolesi. This opera, written in 1733, was the first successful comic opera ever written. This particular opera has had many successful performances

in America. Other works which the singers presented included three Spanish Christmas of the 16th century, two duets for two sopranos by Luigi Cherubini, folk songs from the British Isles arranged by Gustav Holst and Ralph Vaughn Williams, and madrigals, motets, and carols by 16th and 17th century composers. Approximately 300 persons were in attendance for the performance.
