SOCCER

On Wednesday, October 27, the Behrend Soccer team traveled to Fredonia to play the Fredonia State Junior Varsity. Behrend won the game by a score of 4 to 2 in what Coach Sweeting described as "the game of the season up to that time." Dave Schmidt led the way with two goals. Bob Taylor and Matt Gallagher had one goal and one assist each. Tom Loesch also had two assists. The Cubs scored a goal in each of the four periods and led 4 to 1 until late in the final quarter.

The Coach stated that Freshman Terry Miller played an outstanding game at the halfback position. He was the most improved player and proved very instrumental in the team's success. Coach Sweeting also credited a switch from a two fullback to a three fullback setup as important in the victory. Freshman Jack Hoyt, Vic Koprinsky, and Tony Sorgen filled the fullback slots and played excellent defense. Behrend attempted twenty-two shots while Fredonia only had fifteen.

On Saturday, Behrend traveled to Buffalo and lost an extremely close game, 2 to 1. Buffalo had a goal in the first quarter and another in the third. Bob Taylor scored the Cub's only goal early in the fourth quarter on an assist by Bob Korotko. Bob only recently moved into the starting lineup and, along with Terry Miller, played a good game at the halfback position. The Coach stated that the forwards really played together. Forwards are Bob and Tom Taylor, John Norberger, Dave Schmidt and Tom Loesch. Norberger's heading and Bob Taylor's passing were cited as especially good. Behrend kept good control of the ball throughout the game. Dan Chase was again excellent at the goalie position. Coach Sweeting said that Buffalo's Athletic Director, who hosts a national Junior College Tournament, picked Chase as the best goalie he had ever seen.

Chase had twenty-four saves in the goal.

Coach Sweeting said, "I'm very proud of the way the team came along and even though we lost Saturday, it is the best soccer played since I've been here."

Behrend finishes with a 2 - 3 record with the Gannon game not being played. The soccer team improved throughout the season and played some of the finest soccer in Behrend's history at the end of schedule. We can be proud of their efforts.

BASKETBALL

Practice for basketball started Monday, November 1. Twenty men are out for practice with the coach intending to run fifteen of the twenty, eleven of which are reserves for the season's games. Coach Sweeting said he expects a lot of competition for the starting positions. He stated that nine or ten men are capable of starting. The first game is November 27, at home against Johnstown, a branch campus of Pitt. Several scrimmages are planned with one against the Edinboro State Freshman.
