

LETTERS TO THE EDITOR

I would like to thank all the Behrend students who attended Psi Sigma Upsilon's Jammy on November 5th. This dance, with almost three hundred tickets sold, was one of the most successful dances that Behrend has ever had.

There is nothing more pleasing than to attend a social function on campus and see it well attended, not only by Behrend students but also by students from other schools of higher education located in the Erie area. This dance helped to prove that there is a Behrend Campus in existence and that it isn't necessary for one to go across the state line in order to find something to do. I sincerely hope that future dances at Behrend can be this successful and even more so.

I would also like to thank all the girls in the organization who played a big part in making the dance a success. Thanks are also in order for the staff of the Nittany Cub for helping to promote the dance

Yours truly,  
Kathie Rutkowski

Dear Mr. Editor,

The last edition of the Nittany Cub showed a marked improvement over the previous two as far as article content was concerned. However, I was quite dismayed over one article entitled "Dorm News." A more appropriate title would have been "Frivolous Dorm Gossip," because the article was not much more than that.

Everyone likes gossip, but when it appears in a newspaper it should be in good taste such as that in "Bits of Behrend" in the first issue. "Dorm News" contained cutting and offensive remarks which were wholly unnecessary.

"Bits of Behrend" was better also in that it was not confined to one group. The newspaper is for and should be about all the students, not just one portion of them. Dorm news can be incorporated into a column of

of this type.

Please try to keep trash out of the newspaper. Make the NITTANY CUB a paper that we can be proud to show to our families and friends.

Blues singer-guitarist Muddy Waters appeared in Schwab Auditorium Saturday night in his third concert of the term.

A former unsung hero of country blues, Waters and his seven-man blues band are gaining recognition in this field. Waters' contribution to country blues is a down-home style and a driving beat which freed this band of music from an "esoteric" label.

The Four Seasons. . .

The Four Seasons and well-known Negro comedian Dick Gregory will appear at the Interfraternity Council Concert at 8 P.M. Sunday, November 14, in Recreation Hall. You can write to the I. F. C. for tickets or get them at the door.

About Coeds in the Fraternities? . . .

The proposed plan has been shelved temporarily.

Ad Hoc Rally. . .

Tuesday the Ad Hoc Committee held a visitation rule rally which began with a speech from Daniel Shaffer, Co-chairman, and ended with singing by a student trio. (Sandra Hershman, Philadelphia; Allen Smith, Erie; and Charles Aronson, Hazelton)

The rally was held in conjunction with the Senate's recent tabling of the I. F. C.'s plan for coed study hours in the Fraternity houses.

Housing Troubles for the Town Independent Men's Council. . .

The councilmen feel that about 20 to 25 per cent of town housing is sub-standard according to the Borough Housing Code, and about 200 houses do not have the state-required fire
