## BUILDING FUND DRIVE

On Wednesday, February 16 the SGA began a fund raising drive to help alleviate the cost of the new buildings to be built on campus. The goal set by the SGA for the drive is \$1,000. The drive will be climaxed on March 4 by a dance to be held in Erie Hall. At the dance Mr. Kochel and Dean Lane will discuss the additions and present color prints of the buildings to be constructed. "The Sensations" will play for the dance from 8:30 to 11:30. The donation will be \$.50 with proceeds going to the drive.

The additions will be comprised of a dorm for one hundred men and one hundred women, a snack bar, dining hall, class rooms and lecture halls. Ground breaking will be held in the spring of this year while the construction is planned to be completed by the fall of 1967.

Each SGA member will contact thirty Behrend students on a personal basis and will ask them to pledge funds for the new buildings. The pledges can be paid on a time basis or, preferably, be paid by March 4.

Any student who cares or has any interest in the future of the Behrend Campus will make a contribution. Will you?

## DRIVERS BEWARE!

Due to the lack of parking during the Fall Term, the prohibitive signs were removed from the east area of the visitors' parking lot so that students could park there. However, now that additional parking space has been made available for students, the gravel lot is going to return to the exclusive use of visitors.

Therefore, according to Mr. Campbell, all cars belonging to students that are parked in the visitors' lot will be ticketed as a violation and fines will be assessed. This rule becomes effective at 7 A.M. Monday morning, February 28.

## SGA News

SGA set up a committee to establish rates for the use of the lithograph. It was decided that all revenue obtained from the use of the lithograph be set aside for the purchase of an electric typewriter.

The possibility of using the Freshman and Sophomore Class gift funds for the building fund drive was discussed. Next Monday SGA will hold a student referendum to see if the students want their gift fund to be used for the building fund.

SGA received a letter from Thomas Bundy, president of the Organization of Student Government Associations, stating that OSGA has been given a seat on the Senate Committee of Student Affairs at University Park. Because of this, the Commonwealth Campuses will now have a greater voice in University policy.

Tom O'Connor and Jeff Disend reported on the OSGA Conference they had attended at McKeesport. The conference evolved around the real purpose of OSGA.

The questionnaire concerning how students feel about their SGA will probably be distributed at Spring Registration.

A committee was set up to revise the SGA constitution.
