Terry Kunick captured the 115-pound championship. Kunick drew a bye in the first round and defeated Charles Fraught (York) 6 - 0 in the second round. In the final, Terry came up against Sheldon Morgan of Keystone. Kunick won the match 9-4. Observers felt it was one of the best matches of the tourney.

Pat Steadman captured a second place at 130 pounds. After winning his first match 9-1, Steadman lost to Ron Barnett (York) 3-0.

Jeff Vieyra also captured a second place. Vieyra beat Bill Sandoe (York) 6-4 in his first match but was pinned by John Burke of Keystone in his other match.

Bill Bundy scored a fourth place win at 177 pounds.

Behrend had a total of 31 team points, good for third place. York, the winner, had 99 points while Keystone followed with 86. Congratulations to the wrestling team and Mr. Feightal for a fine job.

Basketball

Last weekend the Cubs finished out a great season adding two more victories for a 14-6 record. Friday, Behrend traveled to Dyke College and came back with a big 113-78 victory. Playing one of the best games of the season, the Cubs had five men in double figures. Joe Williams playing a little more than half of the game hit for 27 points, 24 in the first half. He also pulled down an amazing 30 rebounds. Dan Casane, playing one of his best games of the

year, collected 25 points and played an outstanding floor game. Tom Taylor turned in another good relief performance getting 12 points and 14 rebounds. Ron Hornyak and Barney Etzel added 12 points each.

Behrend hosted McKeesport Saturday and won easily 101-66. Even though not playing as well as Friday, the Cubs still had little trouble as Joe Williams scored 25 points and collected 24 rebounds. Ron Hornyak had 20 points while Dan Casane had 18. Barney Etzel played one of his usual fine games as he hit for 17 points. Etzel played consistent ball in the second half of the season, scoring in double figures nine out of ten games.

It is noteworthy that in the last six games Behrend has scored 600 points. Also two weeks ago Ron Hornyak and Joe Williams were given the WJET player of the week award for their play against Altoona and DuBois; a real honor for two real good basketball players.

The Cubs leave Thursday to play in a Junior College Tournament in York. Colleges participating are: York, Point Park, Johnstown, Pierce, Altoona, DuBois and Behrend. Behrend will probably play Johnstown in the first game at 7:30 P.M. Friday. If we win we play York. Coach Sweeting expects the game Friday to be a close contest. We all wish the team luck in adding a couple more victories to an already great season.
