

Anisef enjoys handball, bridge, and skiing.

History and political science are being taught by Mr. John Claridge, a long-time resident of Erie.

Having formerly been at the Hammermill Paper Company, this is Mr. Claridge's first teaching position. A graduate of Yale, he received his Master's Degree from Western Reserve University.

Mr. Claridge is rather impressed with our campus, having been here last when it was the Behrend estate. He finds the students amiable and courteous.

Mr. Claridge enjoys rugged sports in his spare time, especially judo and hockey. In fact, he is a member of the Erie Lion's hockey team.

Mr. Edwin McKean, a practicing attorney with an Erie corporation, is presently teaching Introduction to Business Law.

Having majored in political science and economics at Allegheny College, Mr. McKean graduated first in his class from the University of Pittsburgh Law School.

He was offered a teaching position in law school, but felt he would like to practice law first. So now Mr. McKean has a happy combination of practicing law and teaching.

Another Erieite, Mr. James Vicary, is teaching Introduction to Business to Associate Degree students.

The president of the Ervite Corporation, Mr. Vicary comes to us with a wealth of industrial and business experience. He graduated from the Massachusetts Institute of Technology where he majored in engineering and business administration.

Mrs. Annette Whaley recently retired from full-time teaching after a distinguished career with the Erie School District. Now an instructor in art history, Mrs. Whaley has also had her own private gallery.

A graduate of Pratt Institute where she received her Bachelor of Fine Arts Degree, Mrs. Whaley received her Master of Fine Arts Degree from Freemont College.

In efforts to further her knowledge, Mrs. Whaley studied in many parts of the world. For example, she studied wood sculpture in Japan. Therefore she has seen many of the works spoken of in class.

We of the NITTANY CUB staff would like to welcome these new instructors on behalf of the student body.

I.C.L.T.

The Inter-Campus League Tournaments will be held this weekend at Dubois. Representing Behrend will be table tennis players Frank Polimene, Matt Gallagher, Terry Miller, and John Walters. The bowling team consists of Dan Chase, Jim Perkins, John Wooster, Dave Corstange, Ron Chase, and Robert Eckelley. Chess players are Dave Miles, Richard Tuck, and Peter Torrey.

Mr. Hostetler, the advisor, looks forward to a good tournament. The ping pong team seems much improved if that's possible. The bowling team lost a key man in Dave Field but still appears strong. The chess team also looks good after the winter victories.

Behrend won the Winter Term I.C.L.T. and will participate in the championships at University Park on April 29 and 30.

BASEBALL

"Our biggest problem is that we need a good manager." These were Coach Sweeting's words when asked about the baseball season. He stated that all positions seem to be filled adequately and any nine of thirteen men could start.

For the first time in several seasons Behrend has three pitchers with high school or Legion ball experience. These are Ron Hornyak, John Stranahan and Denny Hoover. Both Hornyak and Stranahan can also play shortstop. Hoover is one of four second basemen and could also see outfield action. At first base Joe Williams will probably start. Tom Taylor is another first baseman who is also a strong hitter. At second base Pete Torrey, Bill Carroll, Pat Steadman and Hoover all have experience. All four also can play other positions. Steadman may play left field with Torrey having the edge at second. At shortstop along with Stranahan and Hornyak is Tom Chiota, a sophomore who saw lots of action last year. He also plays the outfield. Sophomore Dan Chase holds down third base. Sophomore John Berger and freshman John Wooster are the
