

catchers, and both are good hitters. Vorberger caught last year and also played center field. Right field may go to Den-ny Hudacky, Hoover, or Carroll, depending on other positions.

Chase and Vorberger hit home runs in a recent practice game and should lead the hitting attack along with freshman Ron Hornyak, who was an outstanding American Legion ball player.

The Coach again emphasized his need for a manager. Anyone interested should come out and help the team.

The first game is at home on Thursday, April 23. Home games will be played at the old G. E. Field between Wesleyville and Lawrence Park. Come out and support your team in what should be a great season.

SWIMMING

Last term eleven men travelled to Pitts-
burgh to participate in the Point Park
Invitational Swimming Tournament. Behr-
end captured second place in the meet
behind a strong Point Park team. Point
Park finished with 149½ points, Behrend
collected 77½ and Altoona trailed with
29 points

The big factor was Point Park's 20
man team which enabled them to enter sev-
eral men in each event.

An example of this difference was the
200 yard medley relay which Behrend won.
We collected 14 points for the first place
win but Point Park totalled 18 points for
second and third place.

Out of a total of eleven events, Behr-
end won three. Our first win came in the
200 yard medley relay. The relay team
consisted of Chuck McCoy, backstroke; Matt
Gallagher, breaststroke; Scott Zinzer,
butterfly; and Mike Cray, freestyle.

In diving, Bob Spaulding won first
place while Joe Lipchik finished third.

Chuck McCoy won the backstroke event
for the second year in a row. Scott
Zinzer came in second in the 100 yard
butterfly and Matt Gallagher finished
second in the 100 yard breaststroke.
The free relay team of Scott Zinzer, Joe
Lipchik, Bob Spaulding, and Mike Cray
finished second, only one second behind
the winners. Third place finishes went

to Tom Sadoski in the 100 yard freestyle and
the 200 yard freestyle, Bob Karotko in the
400 yard freestyle and Mike Cray in the in-
dividual medley.

Behrend scored points in all eleven events
and even more impressive, all the men partic-
ipating scored points. Behrend captured two
trophies and ten individual medals, the most
ever won by the campus. A lot of credit goes
to these men for their great performance.
This was a fine showing for such a short per-
iod of training.

Representing Behrend were Mike Cray, Doug
Johnston, Chuck McCoy, Bob Spaulding, Jim
English, Bob Karotko, Bob Michaels, Scott
Zinzer, Matt Gallagher, Joe Lipchik, and Tom
Sadoski.

A STORY WITH A MORAL

Once upon a time there was a baby born
with a serious congenital defect--it was just
a head. No arms, no legs, no body--just a
head. Well, life went along all right
for the little head until it was old enough
to go to school where it saw all the normal
boys and girls and this made it sad, so one
night, as its mother was rolling it home from
school, it said to her, "Gee, Ma, I wanna
be normal so bad, cancha do anything, doncha
think a doctor could make me normal?"

So the little head's mother finally took
it to a doctor and sure enough, the doctor
had the kind of medicine needed to make the
head normal. The doctor gave the head's
mother a bottle of the medicine with the di-
rections "Take 1 tbsp. a day for a month."

"Well," the little head reasoned, "if
1 tbsp. a day will make me normal in one
month, the whole bottle should make me nor-
mal right away." So when the head got home
it rolled up to the bottle of medicine and,
unbeknownst to its mother, drank the entire
bottle and promptly grew a 350 pound foot.

Moral of the story: Quit while you're a
head.
