

GOLFERS WIN

The Behrend golf team made its debut at Ashtabula on Tuesday with an 11-7 conquest of the Ashtabula Center of Kent State. Coupled with the perfect season of last year, Tuesday's windswept contest was Behrend's sixth victory without a setback.

The low individual was John Huff of Behrend with an 87. Both Huff and Ray Vanstone whitewashed their opponents.

On Friday, April 29, Behrend will meet a tough Jamestown Community College team at the Downing Golf Course.

VOLLEYBALL

The seven-week long intermural volleyball league was won by the team captained by Walt Ekzarkhov. Walt and company breezed through league play with a fine 16-2 record. Members of the winning team were Doug Bannister, Bob Peterson, John Vorberger, Mike Parvaznik, Ed Hartline, and Bruce Reinhart.

Following league play, a tournament was held in which the team captained by Barney Etzel pulled the upset of the year by beating out Walt's team in the finals. Etzel's team included Ron Hornyak, Joe Williams, Randy Lackowski, Rick Dylewski, Denny Hudacky, and Bill Cox.

This program was very successful and the interest was high. The seven teams competing played a total of 76 games.

BADMINTON

There will be an intermural badminton single elimination tournament beginning Thursday May 5 beginning at 11 A.M. All games will be played during common hours. Anyone may enter by signing up with Coach Sweeting or by being in Erie Hall before starting time.

BASEBALL

Dan Chase and John Vorberger have been elected co-captains for the coming season.

After 7 practice games, 3 in the past week, Coach Sweeting says that he is "more optimistic than ever." The team looks solid at all positions and the starting lineup is pretty well set.

By the time this article is printed Behrend will have played its first game. Right now things look good for Behrend to win a lot of games for a change.
