

BEHREND SOCCER PROSPECTS

At 4 P.M. on October 18, the Behrend soccer team opens its season against the Fredonia State Freshmen on the campus athletic field. Only three experienced frosh and three returning lettermen--fullback Jack Hoyt, halfback Dennis Hudacy and forward Pat Murphy--bolster the Behrend ranks, but rookie Coach Edward Onorato is confident of a victorious season. He has stated, "We are definitely looking forward to breaking the all-time campus record of three wins in a single season." This year, a new longer schedule of six games promises him a good chance to do just this.

Other home games for the Lion Cubs include meetings with Dubois on October 25 and with powerful Erie County Tech of Buffalo on October 29. Behrend will be out for revenge against the Tech squad which dealt them a heartbreaking 2 to 1 loss this past year. This defeat in the final game of the season left the Cubs with a 2 and 3 slate. A 1-0 shutout of the Gannon Soccer Club and a 4-2 drubbing of the Fredonia Frosh were the only Behrend wins of '65.

Championship soccer is a tradition at Penn State. The greatest performance record for any college in soccer competition went to our Nittany Lions, who in the eight seasons from 1930 to 1940, went without a single defeat. In the 65 games played during this period, 60 games were won and 5 resulted in ties.

With this fine heritage behind us and with a few more men with athletic ability on the soccer team, Behrend has all the potentials for an excellent season.

HOMECOMING

Applications are now available from Circle K members to all girls who would like to run for Homecoming Queen.

The annual Homecoming Dance, sponsored by the Circle K Club, will take place Friday evening, October 15. Music will be provided for dancing on this Autumn Evening from 9 P.M. to 12 A.M. by Jack Adams. Price will be \$2.50 per couple.

A great highlight of the evening will be the crowning of the Homecoming Queen and the presentation of her court. All would-be contestants should get an application immediately and have it signed by ten male students on the campus. Votes will be cast by all in attendance at the dance.

CAN YOU READ?

Expressively, that is. If so, why not try out for the Behrend Readers?

Try-outs are going to be held Thursday, October 14, during Common Hour. Those interested should have a selected reading of about four to six minutes through which they will be able to make good use of voice quality and expression.

Mrs. Falkenhagen, advisor, needs two girls and three boys for the group. Why not plan on being there? Show that you can read.
