

John Jackson, continued from p. 3

Several students have expressed interest in having an intramural trivia tournament during winter term. Students wishing to enter teams in this tourney should contact Faith Roller, Jeff Disend, or John Jackson, so that schedules can be drawn up between terms and match play can begin as soon as possible after registration.

The faculty is also welcome to enter teams in this display of minuscular aptitude.

#### LETTER TO THE EDITOR

I would like to register a complaint about the deplorable conditions in Culbertson Lounge in Erie Hall. After one term of playing the role of a Napoleonic slave (picking up everyone's garbage, accidentally dragging my sleeve through a puddle of coffee on a table, and being plagued by insects while trying to play cards), I think it;s about time for me to speak up.

It is my belief that, having been elected to the S.G.A., I have certain responsibilities. I feel I should act on behalf of my constituents to make Behrend a good campus, but this is beginning to get ridiculous. I am a student, too, not just an employee of a janitorial service that is paid to clean up the lounge.

I have always been under the impression that college is designed to develop one intellectually and socially. I really don;t see how crawling under tables picking up garbage is going to contribute to my intellectual development. Of course, I can see where my social development might be affected if I spend enough time on the floor, but I won't go into that now.

If the kids don't start disposing of their own trash, the S.G.A. should close the lounge and rent it to an area F.F.A. club for use as a pig sty for their hog-raising project.

Faith Roller

#### THE CIRCLE K CORRAL

by Tom Lackovic

The results of Monday's re-election are: Bob Johnston, president; Mic Kuban, vice-president; Tom Lackovic, treasurer; and Jim English, secretary. Congratulations especially to Mic Kuban, the only freshman to make the ranks!

Among the important business discussed was SKI HOLIDAY, which is only two weeks away. The total cost for the occasion will be about \$8.00 which includes rental of ski equipment, tow ticket, dance admission, but, to our disappointment, no buffet supper, due to the new policy at the popular ski resort. However, there is a sizzling snack bar for your dining pleasure.

Skiing will start at 10:00 A.M. Saturday, January 28, for you Nittany Cubs and end at 10:30 P.M. The dance is from 9 to 12 with the "Jades" providing the swingin' moods for you "tigers."

Peek 'n Peak is only twelve miles from Behrend. Just follow Station Road (430); when you come
