on several occasions during the early part of the first half but Behrend's defense got tough causing bad passes and hurried shots by Jamestown.

Ron Hornyak sparked the offense with 20 points the first half. Hornyak missed seldom throughout the game. Sportswriter Doug Smith called Etzel the spark of the Cubs.

WRESTLING

Coach Ed Onorato, a previous State Champ in College at Slippery Rock, says that the Behrend boys are in a rebuilding stage after losing four wrestlers due to ineligibility.

Although the team had only one match with Edinboro which they lost 25-9, Coach Onorato has four matches and a state tourney lined up for this term. Now the team will have a chance to show what they have learned in long hours of practice.

PARENT SWAP

Ever wish for a new and different summer environment? A popular college magazine, Campus Street, offers such a plan to interested college students. A student literally exchanges his parents with another student's parents in a different section of the United States. The basic idea is to give students a chance to see America at a minimum of cost. As an example, New Jersey students wishing to stay for a time in other sections of the country would exchange homes with other students who wish to visit the New York metropolitan area. Personal expenses would

be the responsibility of each student, but with room and board being exchanged, costs would be kept low.

CAMPUS STREET publishers feel the exchange program, in addition to providing an unusual vacation plan, also would serve the purpose of giving undergraduates a broader knowledge and understanding of their country.

Anyone interested in this plan may get in touch with the editor of the Cub and may obtain a "Parents Swap Service Questionnaire," or the address of the Campus Street Magazine to obtain more information.
