## SKI HOLIDAY

by Tom Lackovic

Only days away! This Saturday, January 28, is a SKI HOLIDAY for Behrend Campus. With two last-minute changes, the stage is set for an exciting event. First, skiing will start at 2:00 P.M., instead of the previously announced 10:00 P.M.. Also, the "Shadows" will provide the swingin' moods from 9:00 P.M. to midnight instead of the "Jades". Other than that, SKI HOLIDAY promises a great time for you "cubs".

Imagine yourself ridin' the T-bar through Sherwood Glade to challenge Friar Tuck's Trek, a breath-taking novice trail - 4100 ft. If this is too steep, then, Little John's Jaunt is your slope - 600 ft. beginner's hill. After conquering the beginner's slope, and loosening-up abit, there are more intricate trails that await your threat - Robin Hood's Retreat, Will-O'-The-Whisp, Cross Bow, to name a few. But, no matter which slope you try, once you start down, there's no stopping UNLESS.....something comes up!

Well, now that the wind is knocked out of you, and your nose and cheeks are glowing red, it's time to thaw out! Here's when a glass of "hot chocolste" hits the spot. While sipping "chaud chocolat"

by the "cheminee", the warm, romantic atmosphere is enhanced by the "pittoresque vue de forêt". As you can see, Peek 'n Peak provides both facilities - skiing trails and a lover's lane. If you can't master the slopes, then try the other trail - it might be more exciting and challenging!

Don't forget the deadline for payment is this Thursday, January 26. Reservations will be taken only in the lobby of the O.B.
