

PRAY FOR SNOW

by Gary Baran

These last four weeks have been quite depressing for a growing number of Behrend students. The snow has come and gone almost as a tease to the skier.

But we all know, winter has just started and there will be many days left for traversing the slopes.

At Behrend, a group of avid skiers have begun taking lessons and in four weeks have become quite good.

Mr. Yartz, a well-liked Behrend prof, has agreed to head an organization--Behrend Skiers, and plans are being made to organize a ski team with students like Bob Johnson, Bob Spaulding, Terry Davis, Bob Wing, Fred Green, Gary Baran, Cy Fetzner, and others, all willing to add their talents. The ski team will compete in area ski meets and possibly at the main campus. Girl skiers are welcome also.

There is also a possibility of a ski trip to a western New York Resort.

Also, the ski tow will be in operation during Winter Carnival week, and if you want to use it, contact a member of the Ski Club.

JUNIOR COLLEGE BASKETBALL TOURNAMENT

Advance sale tickets for the Junior College Basketball Tournament will go on sale today and will be available through Friday of this week.

Tickets will cost students \$1.50 for all four games. Adult tickets will be \$3.00, and will be good for all four games.

Tickets at the gate will be \$1.00 each night for students, and \$2.00 each night for adults.

"AND FROM THE BEHREND READERS"

by Jane Gates

"Hey Sal, there's a unicorn in the garden."

"Can't see. Mehitabel scratched out my eye."

"Don't ask Saint Peter to fix it. He'll put it in your ear."

"Speaking of ears, John, did you get the limes for the Daiquiries."

"No, I remembered my dental appointment and forgot the limes."

---confused much? Come to the Reader's performance on March 3 and 4 at 8:00 in the OB Building and bring your friends and relatives. There is no admission charge. We'll try to un-confuse you.
