

BILL COSBY CONCERT  
by Jeff Disend

The Behrend Players sponsored a one day trip to University Park for the Bill Cosby Concert last Sunday, February 19. The bus left Behrend at 8:00 A.M. and arrived at University Park at approximately 1:00 p.m.

Tickets went on sale for members of the Behrend Players last Tuesday, in the lounge of the O.B. Building with the stipulation that each Player buy only one ticket. The remaining tickets went on sale for the student body on Wednesday, February 15, at 8:00 in the O.B.

The price of the package deal including bus and ticket was ~~\$5.00~~, N.   
\$5.50

In all fairness to the students, the Players themselves decided on the "one ticket ruling" and also decided that they should help defray costs. In order to do this, it was decided that \$150.00 would be taken from the budget to partially pay for the bus. It was also agreed upon that all tickets would be sold at the above mentioned total price; that no tickets would be sold separately and that no price reductions of any kind would be offered.

Tickets were sold on a first come, first served basis.

FROM THE BEHREND READERS  
by Jane Gates

"John, did you ever wonder how love really began?"

"No, Sal, but I did hear a couple stories about how long ago women tricked men just as today."

"And, dear, what were these women's methods?"

"Remember Eve, the first woman? She used two keys and had Adam at her bid and will."

"Sounds typical. Who was the other woman?"

"I don't know her name, but she crawled into Diogenes' barrel and would not get out. Before long she had potted geraniums and a "Please wipe your Feet" mat at the entrance of the barrel."

"What's wrong with that, John?"

Have you heard these two stories? The Behrend REaders have selected these and others for their annual program on March 2 and 3 at 8:00 in the O.B. Building in Room 101.

KEYSTONE INDUCTIONS HELD

After careful consideration of scholastic record and contributions to the Behrend Campus in extra-curricular activities, approximately 15 students were offered membership in the Keystone Honor Society. Another group of freshmen were offered pledge-ship, with the expectation that they will be inducted in the spring term.

Membership in the Keystone Society is regarded as an honor, for it recognizes a person who has constantly attempted to act beyond the call of duty. The purpose of the Society as stated in the constitution is "to stimulate interest and participation in student activities at the Commonwealth Campuses, to encourage academic pursuit and to provide for the recognition of the 'all-around' student at these Campuses."
