B.C. CUBS OPEN HOME SEASON

The Behrend soccer Cubs open a four game home stand this Tuesday at 3:30 p.m. against the Dubois Campus of Penn State, with eight returning Sophomores (six of them are lettermen) and a good number of promising Freshmen. The Cubs have high hopes of starting a winning season with a victory over Dubois.

Last year Behrend and Dubois played two games. Both ended up with identical 2-2 ties. The Cubs, however, are confident that this season will be different and that they will be victorious. Coach Onorato strongly suggested that every student attend the game and support their team.

"Since Behrend is also a Penn State Campus, we always enjoy playing there, and are looking forward to a good game!"

This comment was made by Coach Doyle of the Dubois team in a recent interview to the Nittany Cub as he discussed Tuesday's game.

This is only the second year that Dubois has participated in soccer, but with six returning lettermen and two other Sophomores on their team, the interest in soccer is running rampant on Campus.

Lettermen M. Velmer, F. Palkovic, and M. Andrews.

ATHLETE OF THE WEEK

This week's "Athlete of the week" is Ed Messmer. Ed plays a very vital role in Behrend's Athletic program. He is the president of the BCABC and it's 420 members. Ed spends many hours of work each week with his advisory staff preparing for the monthly Booster Club meeting. Elected at the end of last year, Ed is the only officer the club has until the elections are completed.

Ed is also one of the eight returning Sophomores on the soccer team. "Chico" as he is known to his teammates, is primarily a half-back.

Ed Messmer

Along with his athletic activities he is a member of the Keystone Honor Society.

Ed graduated from Cathedral Prep in 1966. While at Prep he lettered in track. His event was the high jump.

Ed's contributions to BC's athletic program are typical of his dedication to Behrend.

The Behrend Campus should be proud and grateful to have Ed Messmer as a student.

BC's soccer authority and last week's "Athlete of the Week," John Kane.

SOPH-FROSH GAME

The annual sophomore-freshman football game was played Sunday, October 1, 1967. The final score was 8-0 in favor of the sophomores. The winning touchdown was scored by Howie McGregor. Better luck next year Frosh!

CHEERLEADING

Final cheerleading tryouts will be held Monday at 7:00 p.m. in Erie Hall. Dean Creveling announced that new uniforms will be given to all cheerleaders. Last chance for any interested girl.
