B.C. booters win opener 5-2

BEHREND OVER DUBOIS

Behrend Campus opened its 1967 soccer season with an impressive (5-2) victory over the DuBois Campus. The team effort displayed by the Cubs enabled them to take an early lead, which they held throughout the game.

Freshman Dom Bencivenga, playing in his first game, scored the first two goals; the first on an assist from Dick Stewart, and assisted by Tom Loshe on his second goal. Rick Blose, a second year man, also scored two goals; one unassisted and the other on a free direct kick by Ed Messmer. Rudy McCray, also a freshman, scored a goal when the ball deflected off the DuBois goalie.

After the game, Coach Onorato praised the offense and gave special credit to the Cubs' defense. He was exceptionally happy with the showing by the freshman players, and the team effort displayed by the sophomores.

PRE-GAME PREVIEWS

After the impressive victory over DuBois, the spirited Cubs are getting ready to take on the powerful Buffalo State team, this Saturday. The freshmen from N.Y. should prove to be the most powerful team the Cubs meet in their seven game schedule, so the game should shape up to be the biggest crowd pleaser of the season.

Coach Onorato is planning to make a few adjustments in the defense to cope with Buffalo State's powerful offense. He also has a few other tricks up his sleeve to surprise the New Yorkers.

Altogether the game promises to be one of the biggest highlites of the Homecoming Weekend. So be a Behrend Booster, and support your team!!!

Tuesday following the Homecoming game with Buffalo State, Behrend Campus takes on Bradford-Pitt at home. This is the first time that BC has played Bradford. It should prove to be an interesting game, however, and one that should not be missed.

Game time for Saturday's encounter is 2:00 p.m. and for Tuesday's game 3:30.

ANNOUNCEMENT

The Booster Club bonfire rally slated for Friday night has been cancelled, do to the administrations objections.

Mike Velmer, Al Dorchester, and Rick Blose (white jerseys) lead the offensive against DuBois.

ATHLETE OF THE WEEK

by Al Dorchester

This weeks selection for the "Athlete of the Week" was very difficult. The only criteria for picking the "Athlete" was the victioious soccer game against DuBois. The whole team performed superbly to end with a 5-2 score and any member of the team could have been chosen for this honor. After careful consideration we chose Dominic Bencivenga to be "Athlete of the Week".

Dominic is the first freshman ever to recieve this title. He is a 1967 graduate of Tech Memorial.

The 5'9" centerforward spearheaded our offense and gave us an early lead. In the first quarter he put in the first goal of the game and season. This bolstered the Cubs moral to such a height as to keep the DuBois team scoreless in the first half.

In the third quarter Dom again put in a goal, making the score 2-0. He made these 2 goals on assists from his 2 able wings, Rich Stewart and Tom Lohse.

We now hope that Dom will keep up his fine work this year and return next year to do the same.

NICE GOIN' DOM !!!

BASKETBALL

Coach Sweeting announces a meeting for all candidates for Behrend's Inter-collegiate Basketball Team. The Meeting will begin promptly at 11:00 A.M. Any candidate who cannot attend the meeting is urged to see Coach Sweeting prior to the meeting. Those interested in being managers and statisticians are also invited to attend.
