## Cubs lose two 4-2, 2-0

### CUBS DROP TWO GAMES

After an opening victory over DuBois, the Behrend soccer team has lost their last two games to the Buffalo State College frosh, and the Bradford Campus of the University - of Pittsburgh, by scores of 4-2 and 2-0 respectively.

Last Saturday the Cubs held the Buffalo State team to a 1-1 deadlock at half-time on a goal scored by Rick Blose. Behrend kept even after the third quarter, 2-2, on Rudy McCray's unassisted goal. The New Yorkers, however, managed to score two goals in the final period to pull out a 4-2 victory.

Behrend's Booters dropped their second game of the season, Tuesday, to Bradford. At the half-way break, the two teams had held each other to a scoreless tie. The down-staters managed to push across one goal in the third quarter, and an insurance score in the fourth period, making the score 2-0 at the end of the game.

Coach Ed Onorato was pleased with the Cub's performance against the rugged team from Buffalo, which beat Behrend last year, 8-0. After the Bradford game, the coach said, "We outplayed Bradford in the second half, even though that's when they scored their two goals.. We had a lot of shots but we just couldn't score."

### PRE-GAME PREVIEWS

This Saturday is the Cubs last home game of the season. This last home stand is against Lorain County Community College. The game starts at 2:00 p.m. and the Cubs will be out to even up their record at 2-2. This will be the first time that these two teams have ever clashed on the soccer field.

Next Tuesday's game, the fifth of the year, is against the Fredonia State Freshmen team. If last year's encounters have any bearing on this year's game, then it is going to be a "bloody battle". Last year we played Fredonia twice. The first game we battled to a 2-2 tie. The second game we went to Fredonia, N.Y. to play on their field. We lost that one by a score of 3-1. This year we play them only once and on their field... This will be the first away game of the season and gets underway at 4:00 p.m.

The Cubs have the potential to take both games if they put their minds and backs to it!!

### ATHLETE OF THE WEEK

by Pete Eichenlaub

Don Finnell, the goalie of the soccer team, has shown consistent effort and ability since the soccer season began. Because of his outstanding performance in the last two games, Don has been chosen "Athlete of the Week."

Finnell, a newcomer to the game of soccer, has displayed exceptional adaptability and talent in his first season. His value to the team cannot be measured in the standard sense of the word, but an example of his worth can be shown by the number of "saves" he has made. Against Buffalo State's powerful offense, Don turned back eighteen possible goals and ten against Bradford-Pitt. Figuring that the 1967 Harborcreek grad has allowed only six goals to be scored, this comes out to an .800 percentage, which is extremely high for Junior College competition.

### BASKETBALL

Intercollegiate basketball practice starts Monday. Any interested students who weren't at Tuesday's meeting are invited to attend.
