

## ALL U-DAY PLANS

All University Day plans for the Behrend Campus have finally been worked out. This year's U-Day will not be nearly as good as last year's due to two major reasons. Over night accomodations which were provided last year by the University are not being provided and tickets for the Four Tops Concert are not available to the Campus. Efforts were made by the SGA and others to solve these problems, but to no avail. What is now available to Behrend students are tickets to the football game, the banquet and the jammy. These can be secured through Ron Batchelor, and if enough people sign-up for buses, they also will be provided.

## CAMPUS HOST TO WESTERN PA. OSGA CONFERENCE

The Behrend Campus SGA will play host this weekend, November 3-4, to a regional OSGA meeting. Representatives from the Shenango, Beaver, DuBois, and Behrend Campuses will be present to express their views in several discussion and buzz groups, the most important being the Organization of Student Governments Constitutional Revision. Watch for details on results and conclusions of this meeting.

## JAMMY SLATED FOR TONIGHT

Simon Grace and the Tuesday Blues will play at a jammy (dance) on Friday November 3 in Erie Hall, that is tonight!!!! This jammy is being sponsored by the Behrend SGA in honor of the representatives here for the OSGA conference. Let's show these visitors to our campus that we support our activities. Bring your friends and relatives!!!!

## REGULAR SGA MEETINGS SCHEDULED

The SGA has announced to the Nittany Cub that a regular weekly meeting has been scheduled for common hour every Tuesday. All students are urged to attend these meetings and express their opinions or gripes.

## SGA ELECTS STUDENT JUDICARY

The Behrend Campus is one out of the only three of the nineteen commonwealth campuses which have a student disciplinary committee. The Student Judicary. The main purpose of the committee is to handle discipline matters and student appeals.

The need for this committee was evident as there are five cases waiting to be heard. It was necessary for the SGA to vote from their ranks five students to serve on this judicial committee. Due to the fact that the SGA is operating without a constitution, there are no set rules by which the Student Judiciary is chosen. It is up to the constitutional committee to decide how this is done, and it is the suggestion of the Nittany Cub that these members, of the Student Judiciary, should be chosen from the student body at large.

## BALLET AT BEHREND

This excellent show is FREE to Behrend students and friends and is a part of the regular subscription series for the season.
